of Government of India

Volume 5, September-December 2013

About SJCE

Sri Jayachamarajendra College of Engineering (SJCE), located in Mysore, India is an autonomous institute approved by the University Grant Commission, Government of India, affiliated to the Visvesvaraya Technological University, Belgaum and accredited by National Board of Accreditation. SJCE was started in the year 1963. It comes under the aegis of JSS Mahavidyapeeta, which is the primary institution of many such institutions. The college offers UG courses in 12 disciplines, PG courses in 17 disciplines and M.Sc. Engineering by Research and Ph.D. Programmes in all disciplines. SJCE features nationally recognized faculty who teach 26 academic programs (including MCA & MBA) at under graduate and post graduate levels in emerging disciplines, participate in vital scientific research, using modern facilities and technologies with focus and preparing technological leaders for the futures. The institution reputation for academic excellence in professionally oriented programmes, attract students across the country and world. The faculty of SJCE is noted for their distinguished background, research and the personal attention they offer to students.

As one the leading institutes in India, SJCE has been recognized under the Technical Education Quality Improvement Programme (TEQIP), which is a World Bank assisted scheme.

About TEQIP

The ministry of Human Resource Development, Government of India has a Technical Education Quality Improvement Programme (TEQIP) to improve the Quality of Technical Education in the Engineering Institutions across the country during 10th Plan. TEQIP is funded by the World Bank through Central government and also state government. SJCE identified as lead institution under the first phase of TEQIP, topped the list of 15 engineering colleges in the state. SJCE is now also selected under subcomponent 1.2 of Phase 2 which focuses on scaling up postgraduate education and demand driven R&D and innovation. SJCE has always been a leader and is committed to fulfill the set goals.

Activities of TEQIP Phase II Programme at SJCE

- ✚ 2nd Sept 2013- Signing of MOU with Arizona state university for bet practices in construction technology management.
- ✚ 13th &14th Sept 2013- Core committee meeting in Madurai. Meeting with Principal and Senior faculty of Thiagarajar College of Engineering to discuss on TEQIP 2 and Outcome based Education.
- ✚ 18th Sept 2013- Meeting for Discussion on Joint Review Meeting attended by Dr. N. Haraprasad
- ✚ 23rd Sept 2013- Joint review meeting of TEQIP institution across the country organized by SPFU Karnataka at Bangalore attended by Dr. B.G Sangameshwara, and Dr. S.K. Prasad, Professor.
- ✚ 9th Oct 2013- Core committee Meeting at 3.30 pm at Principal's Office to discuss on TEQIP Activities, Progress in MIS, Progress in Procurement, Performance audit on 12th Oct, Mentor's visit on 17th Oct, TEQIP News Letter, NCB for Networking etc.
- ✚ 12th Oct 2013- Performance audit - Prof. A.K. Nema, Dept., of Civil Engg, IIT Delhi and Srinivas, Dept. of Civil, Govt. Engineering College, Kushalnagar were the auditors.
- ✚ 17th Oct 2013- Mentor Visit Dr. N.C Shivaparkash
- ✚ 31stOct 2013 - Dr. Shakeeb Ur Rahaman took charge as Principal and Dr. B.G. Sangameshwara took charge as Joint Director (Administration) at the office of Directorate of Technical Education, JSSMVP.

- ✚ 27th Nov 2013- First Core Committee Meeting with New Principal

- ✚ 2nd Dec 2013- BOG Subcommittee meeting to scrutinize and approve 6 applications for International Travel Support from TEQIP

- ✚ 4th Dec 2013 - BOG Subcommittee meeting to discuss the usefulness of proposed international training for Dr. B. M. Sadashivamurthy

- ✚ 9th Dec 2013 - Mr. Chandra Mohan from SPFU Visit to SJCE TEQIP office

- ✚ 18th& 19th Dec 2013- Visit by Mr. Raghunath, Project officer, SPFU and Veeranna H.C, Registrar, SPFU for verification and review of procurement made under TEQIP-II Project.

- ✚ 28th Dec 2013 - TEQIP coordinator meeting with all HOD's regarding TEQIP activities.

National & International Workshops/Conferences/Symposiums conducted by SJCE.

- ✚ 2nd Sept 2013 - International workshop on “Construction Technology management and Building Services organized by Dept. of Construction Technology and Management, Mr. N. Rajendraprasad, was the coordinator for the workshop.

- ✚ 3rd Sept 2013- Workshop on ‘A journey towards Entrepreneurship’ organized by Dept of Industrial Production, Mrs. Savitha. M, was the coordinator for the workshop.

- ✚ 21st Sept 2013- Work shop on High Rise Buildings organized by Dept. of Civil Engineering,
Dr. S. Raviraj was the coordinator for the workshop.

- ✚ 24th Sept 2013- Technical talk on ‘Layout Optimization in Process Technology’, Abdul Hannan Khan, Technical Director, M.K. Agrotech Pvt. Ltd, Srirangapatna was the speaker, organized by Dept of IP. Mrs. Savitha. M was the coordinator.
- ✚ 28th Sept 2013 Technical talk on ‘Career to current business climate’, Mr. Kiran Shankar Managing Director, R.R Donnelley Pvt. Ltd, Bangalore was the speaker, Mrs. Savitha M was the coordinator.
- ✚ 7th& 8th Oct. 2013 -Diagnostic test for find out the weak student.
- ✚ 18th Oct. 2013. - Prof. N.C Shivaparkash delivered lectures in workshop on “Outcome Base Education (NBA Accreditation)”.
- ✚ 30th Oct. 2013–Work shop on ‘New initiative in department of Technical Education’ held at SJCE coordinated by SPFU, Bangalore
- ✚ 6th to 23rd Nov 2013– A course on ‘Practical approach to computer networks under finishing school organized by Dr. Anilkumar, Dept. of Computer Science and Engineering.
- ✚ 11th Nov 2013– Lecture on "Offshore Structures” by Mr. Satish Chandra organized by Dr. S. Raviraj, Professor, Civil Engineering.
- ✚ 25th Nov 2013 onwards– A Finishing School on ‘Structural analysis and design software E-Tabs’ started at the department of Civil Engineering. Dr. S. K. Prasad and Dr. S. Raviraj are the coordinators. A total of 50 hours of theory and practical training will be provided to M.Tech students of Industrial Structures (1st and 2nd Year)

Total of International/National Conferences/Symposiums/Workshops held: 11.

Industry Institute Partnership

Along with recruitment placement cell also initiated the following events:

1. **BOSCH Day** : The placement cell had organized a one day exhibition by BOSCH in college in 23rd Oct 2013 for all students from Mechanical / IP / EEE passing out in 2015. The exhibition cum demonstration involved the latest products developed by BOSCH and demonstration of the same in real time vehicles.
2. **Higher education opportunities in Europe:** A deliberation from British Council, Chennai, had visited our college on 24th Oct 2013 to connect with our students on higher education opportunities in Europe. They guided students on selecting the right university and the courses offered. The BRITISH COUNCIL representative Ms. Sonu Imani addressed all the Pre final students on the process of admission and other visa related queries from the students.

◆ Placement & Training.

Total of 35 companies have visited during this period. A total of 599 offers have been made till date of which 523 are first job offers and 76 are the second job offer.

As directed by NASSCOM, most of the companies who abide the set norms of NASSCOM with regards to mass recruiting companies visited only after the students had entered the VII semester.

In this regard, all the mass recruiting services companies were scheduled from 23rd Sept 2013 to 28th Sept 2013. TCS received the honor of visiting the campus on the first day. TCS recruited 172. Wipro recruited 29 and IBM recruited 26 from all branches of B.E , M. Tech. & MCA

Efforts were made in inviting IT giants like Infosys & Accenture to campus, after a long disconnect of 5 years. This succeeded finally and both companies. They have promised to support SJCE continuously year on year.

INFOSYS recruited 60 students from all branches, and Accenture recruited 105 students inclusive of both PG and UG.

Along with the mass recruiting companies placement cell facilitated many dream companies like Oracle, H.P- R&D, Applied Materials, SAP, and Vmware, etc.

VM WARE stands the highest paying company till date with the offer of 13 Lakh salary per annum.

The second phase of recruitment started from 4th Jan 2014. The placement cell hosted a big pool campus drive for colleges around Karnataka for H.P on 4th & 5th Jan 2014. A total of 970 students participated from 35 graduate colleges. In the 2 day selection process H.P offered 42 students.

In addition to the above we have also invited **LinkedIn** for the first time to SJCE, a fortune 500 company to recruit our B.E CS & IS students. They have finished the 1st level selection (online test) process and are expected to call the shortlisted students to their Bangalore facility for Face to face interview on 23rd Jan 2014.

LinkedIn has intended to offer 16.Lakh CTC per annum.

Overall placement details (till date) :

➤ No. of companies visited till date:	35
➤ Total offers(B.E / MCA & M.Tech) :	597
➤ Students having single job:	522
➤ Students having two jobs:	75

➤ B.E. (all branches):	573
➤ MCA:	16
➤ M.Tech. (All specializations):	08

Number of companies visited: 35.
Total offers: (B.E / MCA & M-TECH): 599.
