

About Sri Jayachamarajendra College of Engineering:

Sri Jayachamarajendra College Of Engineering, conceived in 1963, is the dream child of Jagadguru Dr. Sri Sri Shivarathri Rajendra Mahaswamigalavaru, the 23rd pontiff of Sri Suttur Mutt. It comes under the aegis of JSS Mahavidyapeetha, which is the primary institution of many such institutions. The college was officially inaugurated by the esteemed founder of Manipal Institutes, Dr. T.M.A.Pai, the then chairman of the academy of education, Manipal, Mysore State. The institution serves as one of the major landmark in Mysuru, with its sprawling 117 acres of campus. As one of the leading institutes in India, SJCE has been recognized under the Technical Education Quality Improvement Programme (TEQIP), which is a world bank assisted scheme. SJCE has received a grant of 20 crores and 12.5 crores in phase 1 and phase 2 respectively. Acknowledging the state of the art infrastructure facilities, faculties and expertise, that have been the hallmarks of the college, Visvesvaraya Technological University has conferred the 'Autonomous status' to the college from the year 2007-2008. The institution also has reputation of academic excellence in professionally oriented programs, and equal proficiency in extra-curricular activities, that makes it a lucrative option for students from all over the country.

About Department of Computer Science and Engineering:

The inception of Department of Computer Science and Engineering (CS&E) is one among the first to be established in the State of Karnataka in the year 1982. Our mission is to create ideas that deepen and advance our understanding of the realm of Computer Science and Engineering and with those ideas to develop innovative, principled, and insightful leaders who change

the world. Classes are conducted on a full-time and on part time basis in an intimate-scale environment, and take full advantage of the assets provided by Sri Jayachamarajendra College of Engineering and its surrounding communities.

About TEQIP:

SJCE was one of the lead institutes in the first phase of World Bank assisted project to improve the quality of technical education system Technical Education Quality Improvement Programme of Government of India (TEQIP). The main focus was to promote Academic Excellence, Network Institutions, share resource and enhance quality and reach of services to Community. SJCE is now selected under subcomponent 1.2 of Phase 2 which focuses on scaling-up postgraduate education and demand driven R&D and innovation. Other objectives include Strengthening Institutions to produce high quality engineers for better employability and Training of faculty for effective Teaching. SJCE has always been a leader and is committed to fulfil the set goals. The workshop of this kind is an attempt to achieve the desired targets.

Who can Participate?

Faculty/ Research Scholar from Computer Science, Information Science, Electronics and Communication, Electrical and Electronics, Instrumentation and Master of Computer Applications disciplines.

Registration Fee:

Rs.500/- (Rupees Five Hundred only)

Demand Draft Should be drawn in favour of "Principal, SJCE" payable at Mysuru

Photocopy of the registration form can also be used

One week TEQIP Sponsored Workshop on
Digital Image Processing:
Basics to Recent Trends
13th – 17th June 2016

REGISTRATION FORM

Name : _____

Designation : _____

Qualification : _____

Institution : _____

Mobile Number : _____

Email Id : _____

DD Amount in Rs. : _____

DD No. & Date : _____

Mailing Address : _____

Signature
(Participant)

Signature with Seal
(Head of the Institution)

ABOUT THE WORKSHOP:

The workshop on "Digital Image Processing: Basics to Recent Trends" aims at addressing the issues related to image processing right from basics to recent trends. Major topics covered includes Image enhancement, image segmentation, image filtering in frequency domain, applications of wavelets, Image classification and Retrieval using Kernel Methods, dimensionality reduction, parallel image processing, Compression., linear algebra for image processing and current trends of distributed image processing are discussed by most eminent speakers from industry and academia.

Registration and Inauguration:

13th June 2016 (Monday)

Registration : 9:30 AM to 10.30 AM

Inauguration : 10.30 AM to 11.00 AM

NOTE:

1. Demand Draft should be drawn in favour of "Principal, SJCE", payable at Mysuru.
2. Limited seats and selection will be based on first come first serve.
3. Participants need to make their own arrangements for accommodation. However course fee includes working lunch.
4. Last date for applying 06.06.2016
5. Intimation to the selected participants 08.06.2016 (Through E-Mail only).
