

Department of Electronics and Communication Engineering

Shri Jayachamarajendra college of Engineering, Mysuru-570006

Nano Research Lab

- **Staff In-Charge :** **Dr. M G Veena**
 Associate Professor

- **Facilities Available :**
Programmable Climatic Chamber , High Frequency LCR meter, Low Frequency LCR meter, Megohmmetre, Microohmmeter, Contact Angle meter, Vacuum Oven, High voltage DC power supply, **Ultrasonic Liquid Processors**, Electrospinning, HV Tester, Spin Coater, Inclined plane tracking, Analytical Balance.

- **Utilization :**

Students make use of this lab for carrying out projects.
