

P.19 List of short-term courses, workshops arranged and course modules developed

Name of the faculty	year	Name of the course	Date	Sponsorship (TEQIP/ISTE/DTE/...)
Dr. Shankaraiah	2016-17	Computational Linear Algebra	7th to 11th Dec 2016 4 days	TEQIP (Phase-2) S.J.C.E Mysuru
		Internet of things and its applications	8 th to 14 th Sept 2016 One Week	TEQIP (Phase-2) S.J.C.E Mysuru
Dr. SudharshanPatil Kulkarni	2020-21			
	2019-20	Workshop on “Nanosatellite Technology”	16 th to 20 th Sept 2019	TEQIP (Phase-3) S.J.C.E Mysuru
	2016-17	Workshop on “Advanced topics in control systems”	1 st and 2 nd april 2016	TEQIP II
Dr. Jayaram M N	2020-21			
	2019-20	Research Proposal Preparation	5 th - 6 th September 2019	TEQIP III
	2016-17	Workshop on “Recent Trends in Communication Technology”	29th and 30th Jan 2016	TEQIP II
Dr. Gayathri S	2020-21	“Women Entrepreneurship”: Under Twinning arrangement, Equity Action Plan, jointly organized	14 th October 2020	TEQIP III Sponsored On line Workshop SJCE, Mysuru, Karnataka and MLV Textile and Engineering College, Bhilwara, Rajasthan
	2019-20	3 days workshop on Customer relationship management, Women Empowerment and personality development	16 th – 19 th August 2019	SJCE faculty (management type)
	2018-19	One day workshop on “Outcome based education	July 8 th 2019	SJCE faculty (OBE)

		“Electronic Product Design” – 47 students	April 13 th – May 12 th 2019	PG students SJCE, Mysuru Finishing School
		Workshop on Women in leadership: beyond education, developing skills to inspire confidence and unleash potential -70 (18 + 52)	9 th – 31 st March 2019	EC, EE Lady faculty and 6 th sem EC girl students (Management)

	2016-17	Finishing school, “IoT and ADA	19 th – 26 th March 2017	E&C SJCE, Mysuru
		5 day Finishing School on Electronic Product Design	9 th to 13 th February 2016	TEQIP-III M Tech students of Electrical stream SJCE, Mysuru
		Hands on Course on FPGA and ASIC Design	28 th December 2015- 1 st January 2016	TEQIP-III Faculty Development Programme Autonomous and VTU affiliated colleges
	2020-21			
	2019-20	A two day workshop on hands on practice with Visual TCAD	8 th to 9 th March 2019	TEQIP (Phase-3) S.J.C.E Mysuru
		Semiconductor device modelling using Visual TCAD and Genius 3D and SYMICA AMS IC Design tool kit	22 to 27 July 2019	TEQIP (Phase-3) S.J.C.E Mysuru
		Next generation wireless network & the technologies-A Practical Perspective	19 to 23 August 2019	TEQIP (Phase-3) S.J.C.E Mysuru

Dr. U B Mahadevaswamy

	2016-17	Internet of things and its applications	8 th to 14 th Sept 2016 One Week	TEQIP (Phase-2) S.J.C.E Mysuru
		Computational Linear Algebra	7th to 11th Dec 2016 4 days	TEQIP (Phase-2) S.J.C.E Mysuru
Thyagaraja Murthy A	2020-21	5G Technologies TEDP	01.02.202	TEDP by Dept. of Science and technology
Dr. Veena M G	2020-21			
	2019-20	Fabrication Of Electronic Devices Using Nanomaterials	24th August– 4 th September 2020	TEQIP-III, SJCE
	2018-19			
	2017-18			
	2016-17	An invited lecture on “Entrepreneurship Awareness Program and Intellectual Property Rights”,	06 th April 2016.	SJCE
		Industrial visit to Supreme Plastisizers, Near RBI, Metagalli Industrial area, Mysuru	20 th April 2017.	SJCE
Dr. Rudraswamy S B	2020-21			
	2019-20			
	2018-19	One week FDP program on Recent Advances in wireless Communication Systems	1- 05 th July 2019	TEQIP-III , SJCE Mysuru
	2017-18			
	2016-17			
Gayitri H M	2020-21			
	2019-20			
	2018-19	One week FDP program on Recent Advances in wireless Communication Systems	1- 05 th July 2019	TEQIP-III , SJCE Mysuru
	2017-18			

	2016-17			
Anitha S Prasad	2020-21			
	2019-20	Fabrication Of Electronic Devices Using Nanomaterials	24th August– 4 th September 2020	TEQIP-III, SJCE
	2018-19	Development of smart sensor technology towards Electronic applications	4 th – 8 th Feb 2019	TEQUIP-III ,SJCE
	2017-18			
	2016-17			
Pavithra D R	2020-21			
	2019-20			
	2018-19	One week FDP program on Recent Advances in wireless Communication Systems	1- 05 th July 2019	TEQIP-III , SJCE Mysuru
	2017-18			
	2016-17			
	2016-17	Two day workshop on Advances in Wireless networks	3 rd and 4 th oct 2017	SJCE
Halesh M R	2020-21			
	2019-20	One week FDP on “DIGITAL AND ANALOG - IC DESIGN FLOW USING CADENCE TOOL”	8th to 12th July, 2019	TEQIP – III Initiative at SJCE Mysuru
Chandrashekar Murthy B N	2020-21			
	2019-20	Research Proposal Preparation	5 th - 6 th September 2019	TEQIP III
	2018-19			
	2017-18			
	2016-17			

Supreetha M	2020-21	Fabrication of Electronic Devices Using Nanomaterials	24 th August - 4 th September 2020	TEQIP III
	2019-20	Research Proposal Preparation	5 th - 6 th September 2019	TEQIP III
		An invited talk based on “Applications of JAVA Programming”	5 th March 2019	TEQIP III
	2018-19	Development of Smart Sensor Technology Towards Electronic Applications	4th – 8th February 2019	TEQIP III
	2017-18	Recent Trends in Nanomaterials for Energy and Electronic Applications	11 th -12 th Jan 2018	TEQIP III
	2016-17			
Dr. Ramya M V	2020-21	Five days workshop on PLC, Pneumatics and Sensorics BOSCH Laboratory Workshop	18 th to 22 nd Jan 2021	S.J.C.E Mysuru
		Five days workshop on PLC, Pneumatics and Sensorics BOSCH Laboratory Workshop	22 nd to 26 th March 2021	S.J.C.E Mysuru
	2016-17	An invited lecture on “Industrial Automation”	15 th May 2017	S.J.C.E Mysuru
