

Conferences

Conferences / Workshops / Symposia organized

2016-17

- National Workshop on 'Recent Advances in Geotechnics for Infrastructure' (RAGI 2017) Jointly organized by Sri Jayachamarajendra College of Engineering, Mysuru, Association of Consulting Civil Engineers, Mysuru and the National Institute of Engineering, Mysuru on 25th March, 2017.
- DESIGN SAFE - 2016, one day Colloquium on "Spatial Structural Systems", organized by the Department of Civil Engineering, SJCE, Mysuru, in association with the Association of Consulting Civil Engineers (India), Mysuru, on 19th November 2016.

2015-16

- National Workshop on 'Recent Advances in Geotechnics for Infrastructure' (RAGI 2016) Jointly organized by Sri Jayachamarajendra College of Engineering, Mysuru, Association of Consulting Civil Engineers, Mysuru and the National Institute of Engineering, Mysuru on 7th May, 2016.
- DESIGN SAFE - 2015, one day Colloquium on 'Precast & Prestress technology for Sustainable Construction' organized by the Department of Civil Engineering, SJCE, Mysuru, in association with the Association of Consulting Civil Engineers (India), Mysuru, on 27th November, 2015.
- One day workshop on 'Ready Mix Concrete' organized by Department of Civil Engineering, SJCE, Mysuru, in association with M/s Ready Mix Concrete, Mysuru on 17.03.2016.

2014-15

- National Workshop on Recent Advances in Geotechnics for Infrastructure (RAGI 2015) Jointly organized by Sri Jayachamarajendra College of Engineering, Mysuru, Association of Consulting Civil Engineers, Mysuru and the National Institute of Engineering, Mysuru on 25th April, 2015.
- 'DESIGN SAFE 2014' A one day colloquium on Design of Bridges – Concepts and Applications, jointly organized by Sri Jayachamarajendra College of Engineering, Mysuru, Association of Consulting Civil Engineers (India), Mysuru Centre and the National Institute of Engineering, Mysuru on 15th November, 2014 at SJCE, Mysuru.

CEP Courses organized

Date	Title	Duration
4 th to 8 th Dec, 2017	Road Safety Engineering and Auditing	5 Days
10 th to 14 th July., 2017	Road Safety Engineering and Auditing	5 Days
16 th to 20 th Jan., 2017	Road Safety Engineering and Auditing	5 Days
19 th – 23 rd Dec., 2016	Road Safety Engineering and Auditing	5 Days
11 th – 15 nd July, 2016	Computer Aided Analysis and Design of Structures	5 Days
16 th – 19 nd May, 2016	Computer Aided Analysis and Design of Structures	5 Days
18 th – 22 nd Jan, 2016	Advanced Surveying and GIS	5 Days
14 th – 18 th Dec, 2015	Computer Aided Analysis and Design of Structures	5 Days
31 st Aug.– 4 th Sept, 2015	Pavement Design and Construction	5 Days
