

CSI-SJCE Student Chapter

CSI

CSI formed in 1965 has been instrumental in guiding the Indian IT industry down the right path since its formative years. Today, the CSI has 72 chapters all over India, 511 student branches, and more than 1 lakh members including India's most famous IT industry leaders, brilliant scientists and dedicated academicians.

The mission of the CSI is to facilitate research, knowledge sharing, learning and career enhancement for all categories of IT professionals, while simultaneously inspiring and nurturing new entrants into the industry and helping them to integrate into the IT community.

CSI-SJCE

The Computer Society of India, SJCE chapter has been instrumental in promoting expertise in the field of Information Technology. In this endeavor, it has devoted itself to the intellectual needs of enterprising students through various activities.

The SJCE chapter takes pride in the fact that it is a student body that aims at whetting the student's appetite for IT and provides an ideal platform for them to develop skills. SJCE chapter has organized several invited talks, workshops and technical events. More than 200 students and 15 faculties are currently members of CSI.

TECHNOLOGIX

Technologix is an annual technical symposium conducted under the aegis of Computer Society of India-SJCE student chapter. The event attracts some of the best brains and brands every year and activities are focus on:

- Encouraging industry-institute interaction through various industry presentations.
- Conducting technical events.
- Acquainting the students with the latest in the industry by organizing invited talks.
- Organizing courses and workshops for students about topics related to the field of Information Technology.
