

Academics

1. Subjects Taught:

- Polymer Manufacturing And Technology
- Inorganic And Physical Chemistry
- Testing Of Polymers
- Compounding Technology

Conference and workshop attended:

- Participated in national conference program "POLYCON"
- Participated in international conference on "Advanced Materials and Technology"
- Participated in "GIAN"
- Participated in "PEDAGOGY OF INSTRUCTIONAL DESIGN AND DELIVERY SYSTEM"
- Participated in "PERSONALTY DEVELOPMENT PROGRAMME"
