

List of Activities:

Technical talks delivered as a resource person:

- 1) Delivered a subject expert talk on "System software" on 15/4/2016 in Information Science Department, SIT tumkur, 2016.
- 2) Delivered a technical talk on "Mathematical Modeling" in Faculty Development Programme on Computational Data Science at JSSATE, Bangalore on 21st January 2017.
- 3) A Technical talk delivered on the topic System software and operating systems in JSS polytechnique for women, 9-4-2018.

Session chaired and Organized:

- 1) Chaired two sessions in International conference on contemporary computing and informatics on 27 -29 th November 2014 at SJCE, Mysore.
- 2) Organised and chaired a special session on "Speech Signal Processing and its Applications - Research avenues", in CCIP 2016, SJCE, Mysore.
- 3) Organised and worked as a co-chair in CCIP International Conference, at SJCE, Mysore. Special session on "Women in Information", 2017.
- 4) Chaired a session in the International Conference on Emerging Computation & Information Technologies (ICECIT-2017) for the track on "Application of fuzzy in Speech" on 15/12/2017, SIT, Tumkur.
- 5) Organised and chaired a session on "Women in Information Processing" and worked as a co-chair in third international conference on Cognitive computing and Information processing, Organised by CS&E, and IS&E departments of JSS Academy of technical education Bangalore, 2017.
- 6) Chaired a session in second IEEE International Conference on Emerging computations and Information technologies ICECIT-2017, for the track on "Application of fuzzy in Speech" on 15/12/2017, SIT, Tumkur 2017.
- 7) Chaired a session in National conference of Advancement in Information Processing conducted on 7th & 8th of May 2018, at JSSATE Bangalore.

8) Chaired a session in National symposium on Instrumentation in association with instrument Society of India, Dept. Of Instrumentation, IISc., Bangalore conducted on 13th -14th July 2018 in SJCE, Mysore.

Workshops organized:

1) Organized one day workshop on “Stress Management and Wellness for women”, for teaching and non teaching women faculties working in SJCE and JSS institutions on 20th August at SJCE, Mysuru, 2014.

2) Organised and participated in two day Faculty Development programme on “Speech signal Processing and its applications, on 6th and 7th November, sponsored by TEQIP-Phase-II,2015

3) Organised a technical talk on ““Cloud Computing – How to port an application between clouds and its Challenges” on 5-4-2016 at SJCE, for VIII,VII and M.Tech students of CS department. The resource person was Mr.Sanjay Kukur from velankani Software, 2016.

4) Conducted one day workshop on “ Women and Life” on 13th November 2016.

5) Conducted a Technical talk on “Advances in compiler and research avenues ”, for 6th sem students on 24th March 2018.

6) Conducted 5 days hands on workshop on “Machine Learning for UG students from 2nd May to 6th, 2019.

7) Conducted one day Workshop on " Spoken tutorials on Python", hosted by IIT Bombay at SJCEAs a remote center for online conduction), on June 1st, 2019.

8) Conducted Invited talk on “Block chain Technology”, on 23rd August 2019.

9) Conducted 2 days webinar programme on “Speech and Natural Language Processing, on 24 and 25th September 2020.

Awards

Outstanding Women Achiever award in the engineering applications sector - speech signal processing, March 5th, 2016 from Venus International foundation Chennai.
