List of Presentation and Publication in the International / National Conferences/Symposia

• Mahesh S, Sahana M, Mahesh S. Batch ECC for removal of organics from hospital waste streams. International Journal of Civil Engineering and Technology. 5 (9), 2014; 34-42.

- Manoj Kumar B. and Dr. T.P. Halappa Gowda, (1992), “Dissolved Oxygen Prediction in Mixing Zones of Rivers for Multiple Outfall System”, Eighth National Convention of Environmental Engineers, Institution of Engineers (India); Allahabad, India, 30th October 1992 (Presentation and Published in proceedings).

Waste Treatment; Centre for Environmental Studies, Anna University, Chennai, India 11-12, Dec.1997,(Presentation and full paper published in proceedings).

conference on Industrial Pollution and Control Technology (IPACT – 2013) organized by Annamalai University, Indian Institute of Chemical Engineers, Council of Scientific & Industrial Research and Min. of Earth Sciences, GoI, 14\textsuperscript{th} – 15\textsuperscript{th} March 2013.

- **Manoj Kumar B.** and Sagar D Shresthi, (2012), “Model based analysis of Dissolved Oxygen in Cauvery River in Karnataka, India”, Presentation and abstract in the Fourth National Level Symposium “BIOCADENCE” held at KLES CET, Belgaum on 30\textsuperscript{th} & 31\textsuperscript{st} March, 2012.

- **Manoj Kumar B.** and Sanjeev Chaudhari, (2003), “Evaluation of Sequencing Batch Reactor (SBR) and Sequencing Batch Biofilm Reactor (SBBR) for Biological Nutrient Removal from Simulated Wastewater containing Glucose as Carbon Source”, Presentation and Published in Conference Proceedings of First International Young Researchers Conference 2002 "European Platform of Doctoral Students and Young Scientists", Cranfield University, Cranfield, United Kingdom, 9 - 10 September 2003; (Hosted by The School of Water Sciences Cranfield University and sponsored by Severn Trent Water and held in conjunction with ETNET – European Thematic Network of Education and Training for Environment-Water and its Specific Project).

• Mr. D. Istalingamurthy, Dr. M. Mahadevaswamy, Mr. J. Ragavendra and Mr. S.M. Madhu, (2002), “Application of Monopole Magnetic Field Towards Water Softening Under Varied Chemical Parameters”, paper presented in IWA – WAPDEC Conference, at CGO Complex, New Delhi, held between 14-18 December 2002.

• Mr. D. Istalingamurthy, Mr. B.M. Sadashiva Murthy, Mr. S.M. Madhu and Ms. A.R. Girijamma, (2004) “Present Scenario of Solid Waste Management in Mysuru City - A Case Study”, paper presented and published in the proceedings of the abstracts of the International Conference on Environment and Development, at Science City, Kolkata, during 4-8 February 2004.

• Mr. D. Istalingamurthy, Gayithri H.V., Rashmi M.B., Shwetha H.G., and Vidya V.K., (2005), “Characterisation of Effluents of Treatment Plant”, presented at the state-level conference on ‘Environmental Pollution and Management – Future Challenges’, organized by Department of Microbiology, JSS college of Arts, Commerce and

- **Mr. D. Istalingamurthy**, Chaya Ravishankar, (2005), “Reuse of Treated Wastewater for Agriculture Purpose”, presented at the state-level conference on ‘Environmental Pollution and Management – Future Challenges’, organized by Department of Microbiology, JSS college of Arts, Commerce and Science, Mysuru, in association with University Grants Commission, New Delhi, during 29-30 July, 2005.

- **Istalingamurthy D.**, Nagalakshmi N.A., and Lokesh K.S., “Eco-sanitation – Humanure as an Alternative to Commercial Fertilizer”, paper presented in the National Seminar on ‘Molecular Plant Pathology and Biotechnology for Sustainable Crop Production’ organized by University of Mysuru and Indian Phytopathological
Society (Southern Chapter), at Department of Applied Botany and Biotechnology, University of Mysuru, Mysuru, 28-29 November, 2007.

Sadashiva Murthy B.M., Mahadevaswamy M., and Ramesh H.S., abstract was accepted on the title “Modelling Methods and Techniques in Hydraulics, Hydrology, Eco-hydraulics and Water Quality”, for the 7th International Conference on Hydroinformatics (HIC 2006), held in NICE, France.

**Chandrashekar B.** Published 2 Research papers in "INTERNATIONAL JOURNAL OF SCIENCE AND RESEARCH" (IJSR), VOLUME 3 ISSUE 10, OCTOBER 2014 on: Comparative Studies on the Soil Health Due to Application of Different Manure Combinations. Paper Id- OCT 14376; The Study on Humanure as an Alternative to Commercial Fertilizer and its Decay Rate with Various Additives. Paper Id- OCT 14409.

Krishna B M, Nagabhushana B M, Anitha S, **Sahana M.** Color removal from textile wastewaters using CuO nano-particles coated on Sand, Cinder and GAC. International Journal of Civil Engineering and Technology. 2014; 5(9), 79 – 84.
