

Academics:

1. Subjects Taught:

UG (Mechanical Engineering):

- Computer Aided Engineering Graphics
- Computer Aided Machine Drawing
- Mechanical Engineering Science
- Fluid Machinery
- Statistical Quality Control
- CAD/CAM
- Basic Thermodynamics
- Applied Thermodynamics
- Fluid Mechanics

PG (Maintenance Engineering):

- Maintenance of Machines

PG (Engineering Management)

- Management Information Systems
- Human Resource Management

2. UG Projects Guided:

- Guided more than 14 projects related various fields of Mechanical Engineering

3. PG Projects Guided:

- Guided more than 16 projects related various fields of Maintenance and Engineering Management.

4. PhD Supervision:

Presently guiding one PhD student for his PhD work under VTU-Belagavi
