

Publications

Research Publications

Books/ Manuals	Papers in Refereed International Journals	Written Discussions in Refereed International Journals	Contributed papers in Conference or Symposium
			10

(a) List of Books / Manuals written

(b) List of publications in the International Referred Journals

List of Papers Presented International Conferences:

Sl No	Institution	Name of the Conference	Date of the Conference	Title of the Paper
1.	TATA Steel Jamshedpur.	International conference on Industrial Tribology-2001 (ICIT-2001)	8 th April to 11 th April 2002.	Experimental and Analytical Analysis of Axial and Double Axial water Lubricated Journal Bearings,
2.	University of Newcastle, Australia.	9 th International Conference on Bulk Materials Handling	9 th -11 th October 2007.	An investigation into the Erosive wear Behavior of Straight Pipeline in Pneumatic Conveying Systems
3.	Tromso, Norway	4 th international symposium, reliable flow of particulate solids (RELPOWFLOIV)	10 th -12 th June 2008	Evaluation of pressure gradient data for the pneumatic conveying of sand
4	Wangton University, Harbin, China.	The 1st international Conference on Advanced polymer and polymer composites (COMPO2010)	11-14 July 2010	"Development of Al (Art.880) particulate inserted e-glass epoxy composite material and study of their Physico-Mechanical properties"

List of Papers Presented at National Conferences:

Sl No	Institution	Name of the Conference	Date of the Conference	Title of the Paper
1.	NMAMIT, NITTE	Recent Trends in condition Monitoring of Machines	4 th March- 5 th March 2002	Flaw detection of Materials using Ultrasonic Method
2.	NMAMIT, NITTE	Recent Trends in condition Monitoring of Machines	4 th March- 5 th March 2002	Experimental and Analytical Analysis of Axial and Double Axial water Lubricated Journal Bearings
3.	TATA Steel Jamshedpur	ICIT-2001	8 th April to 11 th April 2002	Experimental studies on Water Lubricated Journal Bearing for different Groove Configurations.
4.	SJCE Mysore	National Conference RTME-2006	17 th and 18 th Nov 2006	Studies on Erosion on Bends
5.	SJCE Mysore	National Conference RTME-2006	17 th and 18 th Nov 2006	Experimental and numerical comparison of erosive wear in bends in pneumatic conveying system.
6	JNNCE, Shivamogga,	NAME 2010	November 2010.	“Study and Development Silicon Inserted Epoxy/E-glass composite materials”
