

2020-21

SL NO.	EVENT NAME	RESOURCE PERSON	DATE
1	Five days workshop on PLC, Pneumatics and Sensorics BOSCH Laboratory Workshop	Dr. Ramya M V	18/1/2021-20/1/2021
2	Five days workshop on PLC, Pneumatics and Sensorics BOSCH Laboratory Workshop	Dr. Ramya M V	22/3/2021-26/3/2021
3	Orientation Day	Dr. M N Jayram, Dr. M G Veena, Dr. S B Rudraswamy, Dr. SudarshanPatil Kulkarni, M Supreetha,	09-03-2021
4	Snap circuits	EDS, IEEE-SJCE	19/03/2021 - 20/03/2021
5	Webinar on Digital Signal Processing using Simulink real time toolbox	Dr. T Shreekanth, Mr. Arun	27-03-2021
6	SAIoT – Impact of Security, AI and IoT on Cyber Physical Systems	Dr. Vishwas Lakkundi	23-04-2021

7	Codefiesta	Sahaj Software	09-05-2021
8	Arduino - Code and Simulate	IEEE-SJCE EDS	05/06/2021 - 06/06/2021
9	Webinar – Overview of Systems Engineering and Airbags	Mr. Darshan Lokesha	11-06-2021
10	Distinguished lecture – Rethinking computing with neuro-inspired learning-devices, circuits and algorithms	Dr. Koushik Roy, Edward G. Tiedeman Professor, Purdue University Dr. Rudraswamy S B	05-06-2021
11	Fabrication of Electronic Devices using Nanomaterials		24.08.2020 to 04.09.2020
12	7-day Hands-on training on “Origin-Pro” software in collaboration with Spark Institute of Advance Science (SIAS), Kerala	Dr. Praddep Reddy	8 th to 14 th Nov 2021.
13.	Half day training (online) on “Usage of IEEE resources” for PG students from	Mr. M.S. Srinivas and Mr. Dhanu Pattanashetti, IEEE representative, EBSCO, Bengaluru.	2.30 to 4.30 PM on 09 th Mar 2021.
14.	Half day training (offline) on “Usage of IEEE resources” for UG students, faculties and research scholars from	Mr. M.S. Srinivas, IEEE representative, EBSCO, Bengaluru.	2.30 to 5.30 PM on 16 th Feb 2021.

15.	TEQIP-III sponsored invited talk on “Circuit Analysis using Laplace Transforms”	Prof. V. Nattarasu SJCE, Mysuru	05 th Nov 2019
