

23 April 2022

Alumni Meet

Report

Alumni Meet was conducted as a part of dECibel'22 on 23 April 2022 to make all the students re-live their good old days in blended mode. The alumni attended either virtually or in person.

Dr. A M Nagalakshmi, Senior Engineer, Associate Project director and Study director, ISRO Satellite Centre, Bangalore who is also an alumna of our department was the chief guest of the program. She addressed the gathering by sharing her learning and experience in the college and how it helped her in the way to ISRO. Dr. M N Jayaram, Head of Department and Dr. S Gayathri graced the event by addressing everyone.

Inaugural function

All the alumni spoke about their college life. The welcome speech was given by Prof. Thyagaraja Murthy A, Associate Professor , Department of ECE. Prof. Anitha S Prasad Assistant Professor , Department of ECE gave an introduction about the chief guest. The vote of thanks was given by Prof. Madhusudan M, Assistant Professor , Department of ECE.

In coordination with NSS team of JSS Science and Technology University, Mysuru, an awareness program to save trees was initiated by the Alumni. As well saplings are planted in the University campus by the Chief guest of the Alumni Meet.
