# Neulite Private Limited

Neulite is a comprehensive one point source for PCB designing, Material sourcing, Manufacturing and Testing. Located in Mysore's industrial area our facility is well known for its infra and workforce. An efficient workflow is maintained across the facility by creating specialized zones as:

- **DTA Unit:** Domestic Tariff Area (6250 sqft)
- **EHTP Unit:** Electronic Hardware Tech Park (3175 sqft)

## FOUNDER:

A graduate in Engineering and Masters in Business administration, **Jagadeesh Kumar** an academician with entrepreneurial mind tread the path of enterprise twenty years. Through his experience and continuous improvement techniques has brought

his company to a position of reckoning in the industry.

Jagadeesh Kumar has dreams of taking his organization to further heights especially in the global scenario. He would like to orient his new venture in achieving best of the market shares in green energy sector. He is confident that the present trend in Electronic Contract Manufacturing and his expertise in the field will stand by him in his endeavor.

## Company Details

CIN	U30007KA1998PTC023598
Company Name	NEULITE PRODUCTS PRIVATE LIMITED
Company Status	Active
RoC	RoC-Bangalore
Registration Number	23598
Company Category	Company limited by Shares
Company Sub Category	Non-govt company
Class of Company	Private
Date of Incorporation	13 April 1998
Age of Company	20 years, 11 month, 19 days
Activity	Manufacture of office, accounting and computing machinery <a href="#">Click here to see other companies involved in same activity.</a>

## Share Capital & Number of Employees

Authorised Capital	₹2,000,000
Paid up capital	₹1,504,300

# HISTORY

- Established in the year 1989 at Mysore, (Karnataka, India), “Neulite Products Private Limited” are involved in manufacturing and supplying an extensive range of PCB Assembly and Cable Assembly. The products offered by Neulite was, encompasses PCB Assembly for Power Electronics, PCB Assembly for Auto Electronics, Measuring Instruments, PCB Assembly for White Goods, PCB Assembly for Lighting, PCB Assembly for IT & Computer, Cable Assembly, Cable Assembly for Automobile, PCB for Telecommunications and other allied products.
- Neulite was highly experienced and qualified professionals, manufacture these products in accordance with the defined industry standards, using the superior quality raw materials. These products are widely acknowledged by the customers because of their attributes like high efficiency, reliable performance and longer functional life. Banking on the above features, our offered range, find its wide application in Electronic Industry
- Neulite Products Private Limited is a Private incorporated on 13 April 1998. It is classified as Non-govt company and is registered at Registrar of Companies, Bangalore. Its authorized share capital is Rs. 2,000,000 and its paid up capital is Rs. 1,504,300. It is involved in Manufacture of office, accounting and computing machinery
- Neulite Products Private Limited's Annual General Meeting (AGM) was last held on 29 September 2018 and as per records from Ministry of Corporate Affairs (MCA), its balance sheet was last filed on 31 March 2018

FACTSHEET

Basic Information

Nature of Business	Manufacturer
Additional Business	Supplier
Company CEO	Jagadeesh Kumar
Total Number of Employees	101 to 500 People
Year of Establishment	1989
Legal Status of Firm	Private Limited Company
Annual Turnover	Rs. 10 - 25 Crore
Company USP	
Provide after Sales Support	Onsite Support
Primary Competitive Advantage	<ul style="list-style-type: none"><li>• Good Financial Position &amp; TQM</li><li>• Large Product Line</li><li>• Large Production Capacity</li><li>• Provide Customized Solutions</li></ul>
Quality Measures / Testing Facilities	Yes

Statutory Profile

GST No.	29AAACN6142P1ZZ
CIN No.	U30007KA1998PTC023598

Packaging/Payment and Shipment Details

Customized Packaging

Yes

Payment Terms

- D/A
- L/C
- T/T (Wire Transfer)

Payment Mode

- Cheque
- DD
- Escrow
- LC

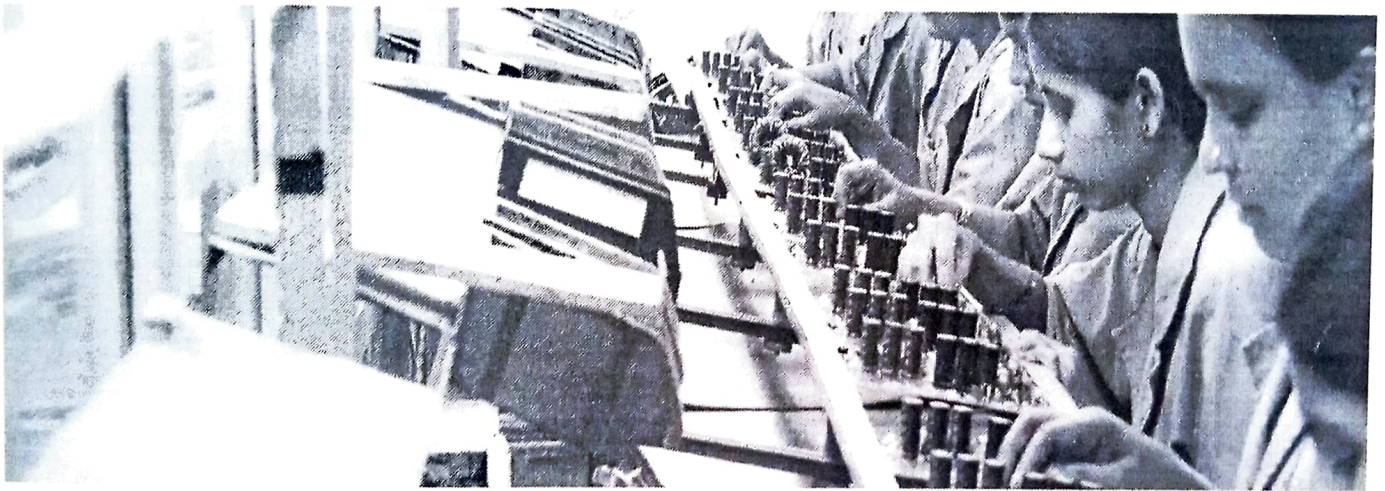

Shipment Mode

- By Air
- By Cargo
- By Road
- By Sea

## NEULITE MODES OF WORKING :

- **Design team** is recognized for delivering quality solutions consistently. Each project is assigned to specific teams consisting of experienced and innovative engineers. Customer requirements are thoroughly understood by our teams, ensuring the perfect design and hassle free manufacturing process. Our engineers are well-versed in rapid prototyping techniques, which enables us to deliver quick design-solutions.

- The **manufacturing process** is entrusted to our team of highly-skilled workforce and state-of-the-art machinery. High-quality results are achieved by operation standards strictly, adhering to IPC 620C standards.
- Quality control is achieved in our **Test-Lab**. Every product manufactured is tested for performance and adherence to industry-standards. Our commitment doesn't stop at product delivery. Our **customer-care** team of service managers and technicians attend to any technical issues within 48 hrs.

## **Quality policy**

Quality control is achieved in test lab every product is tested for performance and adherence to industry standards

## **Infrastructure facilities**

State of infrastructure

The expertise in prototype bulk manufacturing of electronics products is spearheaded by an innovative team-designing and developing all component required to complete electronic-product manufacturing cycle.

A team of committed, motivated and qualified personnel deliver the highest quality product to a wide variety of industries in the electronics and green energy segment.

## **Manufacturing Process**

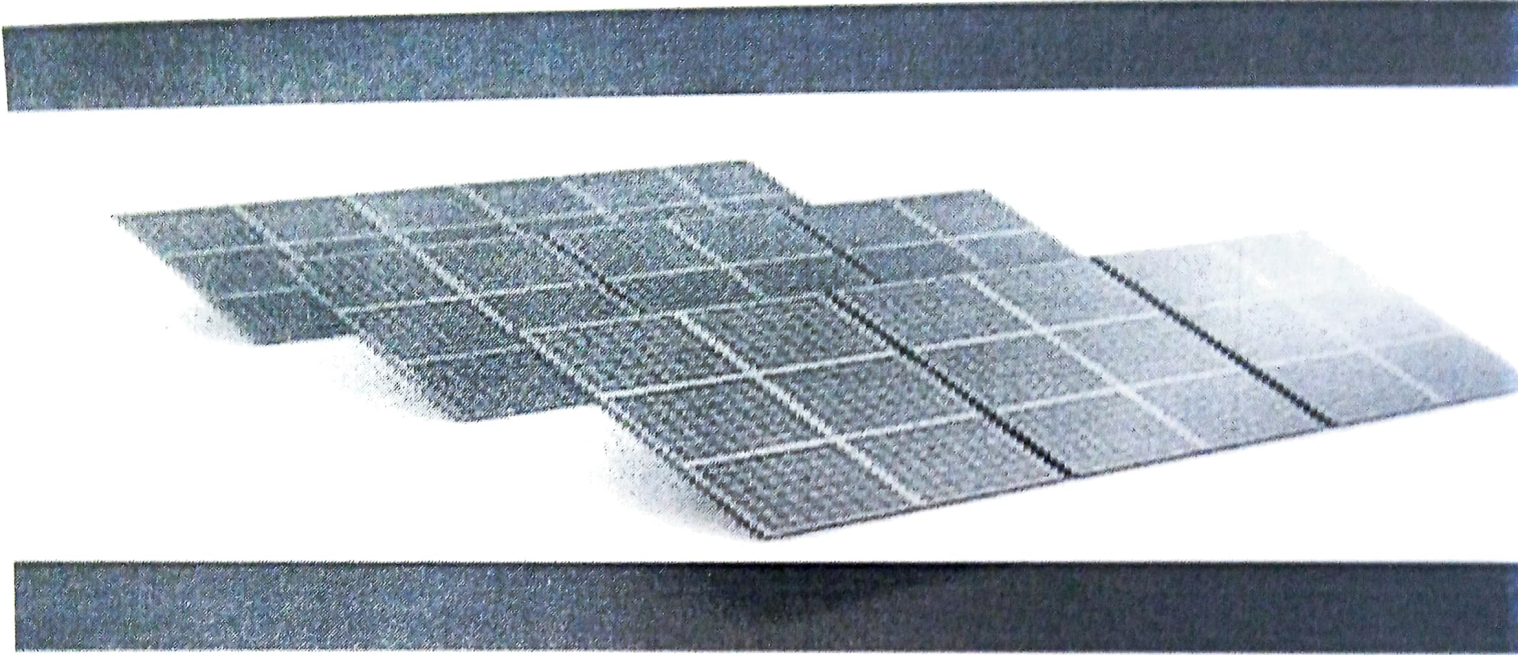

Manufacturing Process is entrusted to our team of highly skilled and state of the art machinery High quality results are achieved by operation standards strictly adhering to IPC620 c standards

# NEULITE CLIENTELE

## Services provided by the neutile:

1)

### Neulite solar power types

Solar Power plants can be configured on mode of operation provides

- Offgrid solar power plant
- Ongrid grid tied solar power plant
- Ongrid grid interactive solar power plant.
