“ Best out of Waste”

The competition “Best out of Waste” has been conducted on 7-09-2021, as part of Swachhta Pakhwada -2021. The main theme of the competition is to create awareness among students to make useful things out of waste materials. The competition was about how to create useful items, such as decorative, showcase items, other useful things etc., out of waste materials available in our surroundings such as plastics, papers, e-wastes, medicine residuals, etc., instead of throwing them.

The competition has been conducted in virtual mode on 7-09-2021 through Google meet. The registration to competition has been done through google forms where 13 students were registered. The jurie member panel consists of senior professors **Dr . Gayathri S, Associate Professor, Dr. Veena M G, Associate Professor, Prof Thyagaraja Murthy, Associate Professor**, from derartment of ECE to decide the best activity among all.

The following pictures shows the details of the online competition conducted.

The poster is for a virtual competition titled "BEST OUT OF WASTE" organized by the Department of Electronics and Communication Engineering at JSS Mahavidyapeetha, JSS Science and Technology University, Mysuru. It is part of the Swachhta Pakhwada initiative. The competition is held on Google Meet on 7th September 2021, from 3:30 PM to 4:30 PM. A registration link is provided as <https://bit.ly/3DJgftv>. For more details, contact Pavithra D R at 9844845050. The poster features logos for JSS, AICTE, and a recycling symbol.
