Sri Jayachamarajendra College of Engineering Mysore – 570 006
(Autonomous institution under Visvesvaraya Technological University, Belgaum)

Proceedings of First BoG Meeting held on 23.03.2019

1.1 THE MEMBERS

Principal welcomed the members of the Board of Governors of TEQIP Phase-III, a World Bank assisted project under Government of India. He informed that the six BoG Subcommittee meetings were held as on date and the proceedings have been prepared. Under TEQIP III for all the activities done and for procurement plan approval has been taken in the following six BoG subcommittee meetings

- First BoG Subcommittee meeting was held on 12.02.2018
- Second BoG Subcommittee meeting was held on 02.05.2018
- Third BoG Subcommittee meeting was held on 16.05.2018
- Fourth BoG Subcommittee meeting was held on 20.08.2018
- Fifth BoG Subcommittee meeting was held on 26.12.2018
- Sixth BoG Subcommittee meeting was held on 13.02.2019

Members wanted to know the reason for not conducting BoG meeting and only BoG subcommittee meetings were held. Principal gave justification that for all the activities conducted under TEQIP III approvals were taken in the BoG subcommittee meetings held on the above mentioned dates. The members suggested that three BoG meetings and three BoG subcommittee meetings needs to be conducted for this year on predefined scheduled dates.

1.2 BACKGROUND

Sri Jayachamarajendra College of Engineering has been awarded World Bank funded TEQIP grant in Phase III. TEQIP III is fully integrated with the Twelfth five year plan objectives for technical education as a key component for improving the quality of engineering education in existing institutions. SJCE has been identified as mentor institute under subcomponent 1.3 of TEQIP-III, with twinning arrangements to build capacity and improve performance of both mentor (SJCE) and mentee (other Twinned) institute. SJCE will be mentoring MLV Textile and Engineering College located at Bhilwara, Rajasthan. As per the guidelines of Project Implementation Plan (PIP) of MHRD, Government of India, TEQIP-III project at the institutional level should be managed by an institutional TEQIP unit under the guidance of Board of Governors (BoG) of the institute and the head of the institute.

TEQIP Phase-1 was awarded to SJCE in the year 2005 and ended in the year 2009. The main objective of TEQIP Phase-I programme was to improve the infrastructure facilities required for good teaching and learning environment and project was focused mainly for undergraduate studies. SJCE was recognized as a lead institution and was granted a total of Rs. 18.7 crores. The project was successfully completed with a performance audit score of 9.6 out of 10 which is one of the highest in the country.

In view of successful implementation of TEQIP Phase-I, SJCE was eligible for TEQIP Phase-II under Component 1.2. TEQIP Phase II mainly focused on Postgraduate Research Development and Innovation. The World Bank advised the applicants to prepare the proposal based on SWOT analysis of their institute. Accordingly SWOT analysis and Institute Development Proposal (IDP) was prepared and submitted to World Bank through State Project Facilitation Unit (SPFU). Institute Development Proposal of SJCE, stood highest all over India including NITs scoring 82 marks out of 100 which is considered a great honour. TEQIP-II began in 2011 and SJCE was sanctioned Rs. 1250 lakhs for utilization under different heads with focus on research, innovation and post graduate education. SJCE was considered among the best performing institutions based on performance in Key Performance Indicators (KPIs) during every half yearly Joint Review Meetings held at MHRD level. Based on the overall performance, SJCE was granted additional grant of Rs. 500 lakhs.

For TEQIP Phase III funding, institutions already participated in TEQIP-I and TEQIP-II were selected on competitive basis through challenge method. Selection was done in three stages. At the first stage, eligibility criteria was used to shortlist the institutes followed by ranking on the basis of their performance assessment. Top rankers from stage 1 were invited to submit institution development proposals (IDP) in stage 2. The institutes then proceed to stage 3 for final selection. National Project Implementation Unit (NPIU) of TEQIP-III invited SJCE for becoming mentor institute under subcomponent 1.3 of TEQIP-III (NPIU E- mail dated: 13.09.2017). SJCE prepared Institution Development Proposal (IDP), and submitted the same to NPIU

A meeting for selection of mentor institutions under subcomponent 1.3 through challenge method was scheduled on 18th September 2017 at NPIU office Noida. Dr. T.N Nagabhushan, Principal and Dr. B. Manoj Kumar attended the meeting. Principal made presentation on IDP and performance of SJCE in TEQIP-I and TEQIP-II. SJCE was selected under Subcomponent 1.3 as a mentor institute and MLV Textile and Engineering College, Bhilwara, Rajasthan was allotted as mentee institute. On 18th September 2017 an agreement was done between SJCE and MLV Textile and Engineering College in the presence of Prof (Dr) P M Khodke, Central Project Advisor, National Project Implementation Unit (NPIU)

As per NPIU information Memorandum of Understanding (MoU) between State of Karnataka and SJCE, Mysore under TEQIP Phase-III was submitted to SPFU office and a copy was sent to office of the Principal Secretary, Higher Education, Government of Karnataka, Bengaluru on 29.11.2017. A Memorandum of Understanding was made between the Principal Secretary, Higher Education Department, Department of Technical/ Higher Education, Government of Karnataka and Dr. C. G. Betsurmath, Chairman, Board of Governors, TEQIP III, SJCE. MoU exchange was done in the presence of Sri G. T. Devegowda, Minister of Higher Education, Government of Karnataka on 24th August 2018 at the office of Higher Education Council, Bangalore. The purpose of MoU is to improve quality and equity in engineering education institutes and improve the efficiency of the engineering education system. The department will support and maintain a State Project Implementation Unit (SPIU) in the form of Project Team, to carry out overall supervision and facilitate project implementation in the state.

1.3 ABOUT MENTEE INSTITUTION

Manikya Lal Verma Textile & Engineering College (MLVT&EC) located in Bhilwara, Rajasthan is the mentee institute for SJCE. With the aim to cater the need of skilled manpower in the textile industries of Bhilwara, Manikya Lal Verma Textile Institute was established in 1984 as a polytechnic college under the control of Technical Education Department, Govt. of Rajasthan. In the year 1988; it was upgraded to a degree level engineering college and rechristened Manikya Lal Verma Textile Institute. The institute started with the Textile Technology branch with an intake of 30 students per year and later on the intake in the branch was increased to 120 students per batch and this B.Tech Course is affiliated to the Rajasthan Technical University, Kota and is approved by AICTE. The institute has about 1358 students, 33 regular faculty, 21 faculty members appointed through NPIU, and about 100 supporting staff. At present, the institute offers following B.Tech degree and M.Tech courses:

Branch	Intake
B.Tech. Degree Course	
Electronics & Communication Engineering	60
Information Technology	60
Textile Chemistry	40
Textile Engineering	40
Textile Technology	120
Mechanical Engineering	60
Post Graduate Course	
M.Tech (Textile Technology)	18

As per twinning arrangement SJCE should at least spend 5% of the PLA which include non- remunerative activities such as:

Two way faculty, staff and student exchange programs for training and academic activities; Joint R & D; arranging seminars, academic meetings and conferences for students and faculty; organizing Industry partnerships for joint R&D, internship and placement activities; learning forums for improving governance practices, institutional management and reforms; Joint Advisory or consultancy services; any other activities as deemed mutually appropriate.

Members sought the details of amount to be spent for mentee institution under different heads and activities. It was informed that 5% of the PLA should be spent for mentee institution for the above mentioned activities. The invitee member from mentee institute mentioned that so far the activities conducted under twinning arrangements are satisfactory.

1.4 TEQIP III FINANCIAL ASSISTANCE

NPIU has sanctioned a financial assistance of Rs. 7 crores to SJCE under TEQIP III and the breakup is as follows:

Sl No	Category of Expenditure (Head of Expenditure)	Percentage (%)	Cost (Rs. in crore)
1.	Procurement	50%	3.50
2.	Academic	At least 40%	2.80
3.	IOC	Up to 10%	0.70
Total			7.00

There are various sub heads in each of the category, which are as follows:

Category	Subhead	Activities include
Procurement of goods	Equipments	For hostel, sports and any non academic activity not permitted
	Learning resources	e-books, e-journals, softwares, text book etc.
	Furniture	For hostel, sports and any non academic activity not permitted, but allowed for TEQIP Cell
	Minor civil works	For hostel, sports and any non academic activity not permitted, no new building, repair, maintenance & extension allowed
Academic Processes	Improve student learning	IIT/ NIT training to students at IIT/NIT or in parent institute; Induction Training; GATE Preparation Classes; Career Counseling, Student Counselling; Psychometric/ Diagnostic Test; Remedial Classes; Peer Learning; Student Visits to IIT & R&D organizations; GATE Registration Fee (only for final year students); Institutional memberships for professional societies eg, IEEE, ACM, IETE, CSI, Automotive Engineering, ISTE, IE(I), ASCE, ASME, for student chapters; Sponsorship of 20% on academic activities in Tech Fest; Registration Fees and TA/DA for students participating in Tech Fest of IIT/NIT; GATE Orientation Programme, etc.
	Research Assistantship	Research Assistantship for full time Ph.D. students excluding QIP candidates, etc.
	Graduates employability	Start up activity; Soft Skill training (Industry Readiness); Finishing Schools, etc.
	Faculty/Staff Development and Motivation	Short Term Training Programmes (STTP) in house; Registration fee and TA/DA for STTP in other reputed institutes; IIT training to faculty at IIT or in parent institute; Attending Conferences/ Seminars/Workshops; Qualification Upgradation; Support Staff training, etc.
	Research and Development	Attending Conferences/ Seminars/ Workshops for UG/PG/Ph.D students within or outside institute; Spares and consumables for UG/ PG student research project; Seed Money for R & D for faculty research projects; Publication in peer reviewed journals having citation & impact factor and scopus index; Fees for patent filing for faculty and students, etc.
	MOOCs and Digital Learning	Certification fees for online courses (MOOC's); Development of MOOC's/ Online courses, etc.)
	Mentoring/Twinning System	Should at least spend 5% of the PLA, include non-remunerative activities like: Two way faculty, staff and student exchange programs for training and academic activities; Joint R & D; Arranging seminars, academic meetings and conferences for students and faculty; Organising Industry partnerships for joint R&D, internship and placement activities; Learning forums for improving governance practices, institutional management and reforms; Joint Advisory or consultancy services; any other

		activities as deemed mutually appropriate.
	Reforms, Governance	Academic Reforms (ICC, BoS, Academic Council/ Senate, BoG); Accreditation & UGC Autonomy; Student Feedback & Faculty Appraisal, etc.
	Management Capacity Development	Management Capacity Building programmes at IIM; NPIU workshops, etc.
	Hiring Consultancy Services	It does not require activity plan (It will be required for all above activities for which the methods given in procurement shall be adopted)
	Industry-Institute Interaction	Internships; Industry expert lectures; Placement Activities & Hospitality; Industry Visits, etc.
Operating Cost	Consumables	
	Operation and maintenance of equipments	
	Office expenses	Stationary; printing, etc.
	Meetings	Only project related meetings
	Hiring of Vehicles	Only for project activities
	Travel Cost	Only for project activities
	Salary	TEQIP office staff

For each quarter, SJCE has to submit an action plan under the components of Procurement of Goods, Academic Processes and operating cost. Based on the action plan NPIU will allocate funds under various heads. SJCE prepares action plan based on the requirements and activities proposed by different departments of SJCE. SJCE also has to submit joint (mentee and mentor institute) action plan for NPIU office. For quarter - 3 (Oct-Dec 2017) proposal NPIU did not allocate amount due to delay in digital signature processing in PFMS. Because of this, the activities of TEQIP III at SJCE started in the month of January 2018.

The TEQIP-III accounts will be operated under PFMS (Public Finance Management System) and all procurement will be done through PMSS (Procurement Management System Software).

Members wanted to know the plans prepared under the head - Graduates employability and in particular for startup cell. It was informed that the Startup cell will provide the action plan and will be placed in the next BoG meeting.

1.4.1 FINANCIAL MANAGEMENT UNDER TEQIP-III

For financial transactions a new SB Account was opened at PNB, SJCE Branch, Mysuru

- Account Number: 39500000101289293.
- Style of the Account: 'SJCE Mysuru TEQIP-III'
- Operation of the Account: Jointly operated by - Principal SJCE and Finance officer, JSS S&TU.

For opening the account management permission has been obtained vide their letter number TED/JCE/2017-18/2109 dated 22.11.2017.

As per NPIU guidelines, all financial transactions of TEQIP-III is through PFMS software and transactions will be through 3 level authentication.

1. Data operator : To enter the transaction details to PFMS portal and submit for approval.
2. TEQIP Coordinator : To approve the transactions for Rs.1 to 5,00,000.00 (Upto 5 Lakhs only)
3. Principal : To approve the transactions for Rs. 5,00,001.00 to Rs. 50,00,000.00 (Upto 50 Lakhs only)

Before passing the expenditure for various activities through PFMS, approval will be obtained from the Principal and Finance Officer. The copy of approval letter is as follows:

1.4.2 PROPOSED PROJECT FUND DISTRIBUTION UNDER DIFFERENT CATEGORIES

The following was proposed in the first BoG subcommittee meeting held on 12th February 2018. The project fund of Rs. 700 lakhs is distributed under three heads as shown below:

Category of Expenditure under different heads in lakh

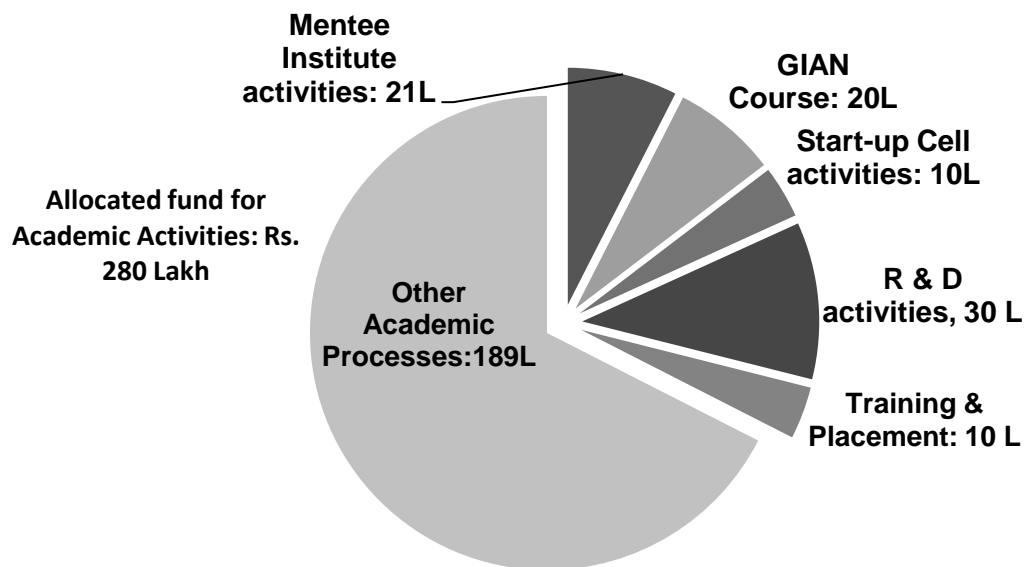

It is proposed to distribute the funds allocated for procurement as shown below:

Distribution of fund for Procurement in Lakh

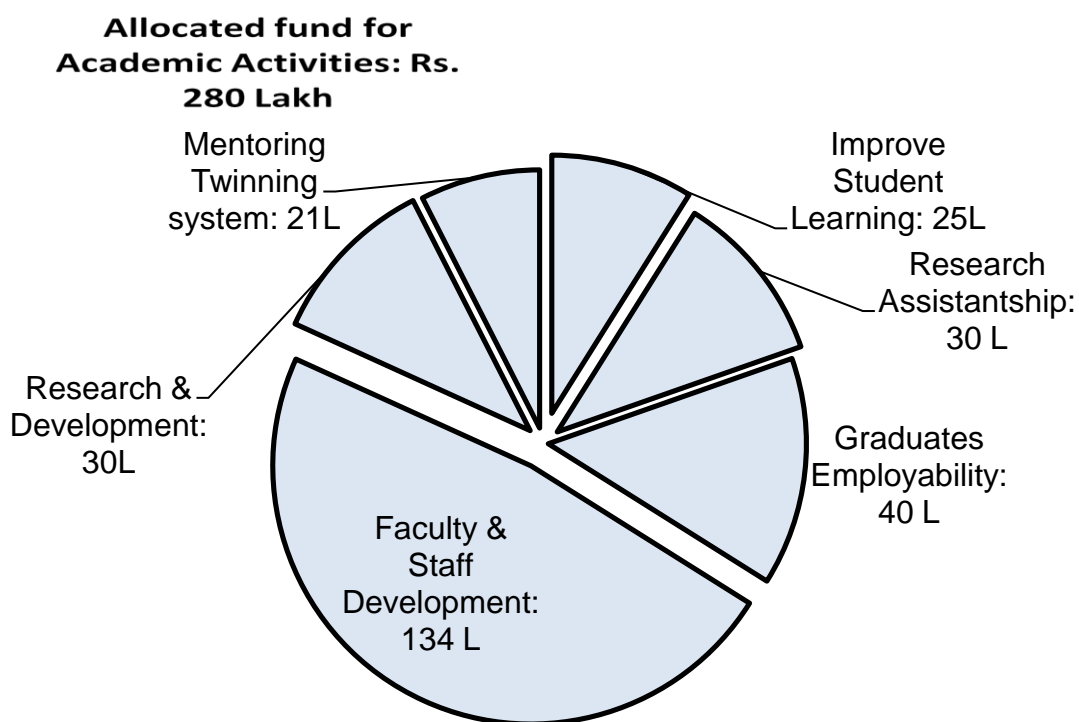

Following chart shows the proposed distribution of funds for different academic activities for the project period.

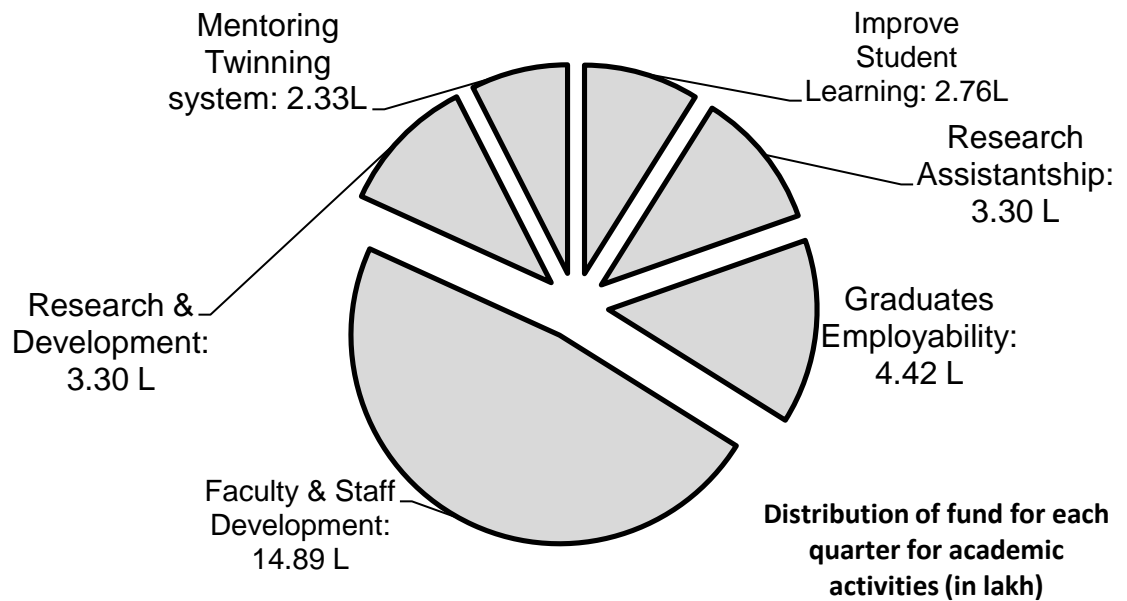

Distribution of amount for Academic Activities in Lakh

The proposed distribution of funds for different academic activities is shown in the following figure

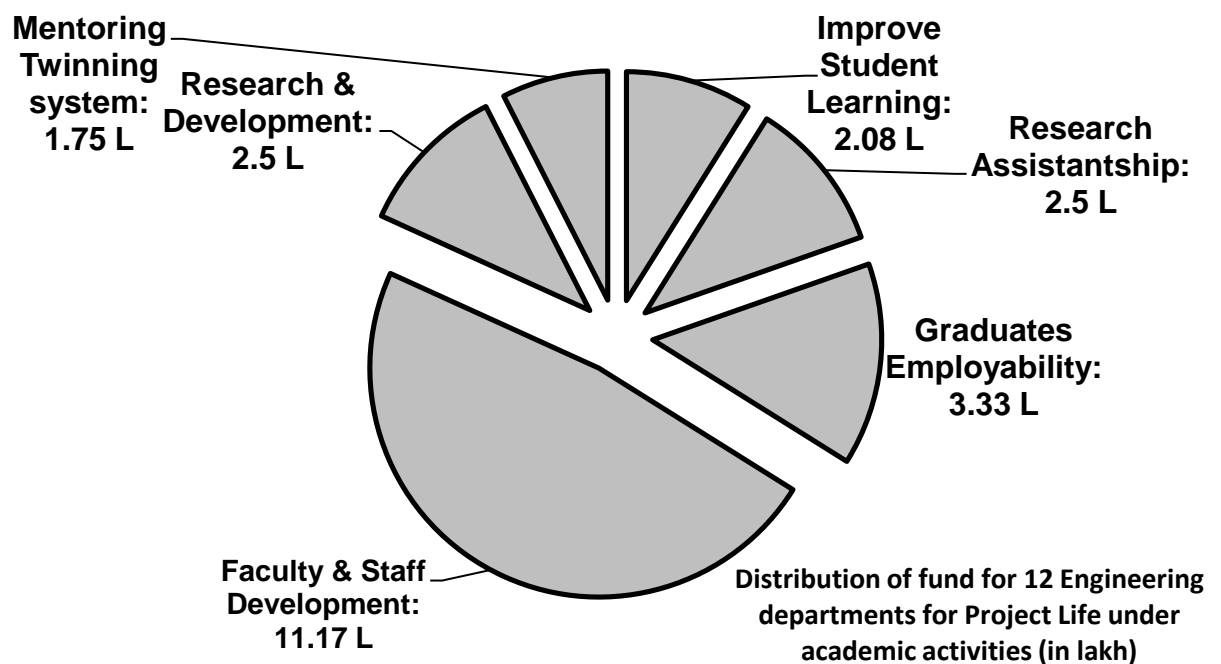

Distribution of fund for different academic activities in lakh for project period

The proposed distribution of funds for different academic activities for each quarter considering nine quarters remaining is shown in the following figure.

For each quarter total available fund for academic activities is Rs. 31 lakhs for 12 engineering departments.

The proposed distribution of academic funds for twelve engineering departments activities for project period considering nine quarters remaining is as shown in the following figure.

It is proposed to spend the allocated amount for procurement in the year 2018-19. In addition to strengthening existing labs, it is also proposed to establish new labs, which caters multidisciplinary research. All the head of the departments has been informed to provide the requirement of equipments and learning resources as per OBE requirement. Similarly it is been informed to plan for academic activities such as FDPs, Workshops, Seminars, Invited talks, Conferences, Pedagogy training, finishing schools etc. for each quarter. The faculty members will be encouraged to participate in the GIAN courses and Management Capacity Building programs conducted at IIMs, NITs, IITs and other premier institutes. It is also proposed to conduct pedagogy training for all newly recruited faculty members. Seed money is also provided for faculty members who are pursuing their research in-house.

1.5 FORMATION OF COMMITTEE

As per Project Implementation Plan (PIP) of NPIU the management formed TEQIP–III core committee, TEQIP-III BoG Subcommittee and TEQIP-III Board of Governors (Vide Letter No. TED: JCE: DVP: 17:2017-18/1953, dated: 4th Nov 2017 & TED :JCE :DVP :17 : 2017-18/ 2229, dated: 4th Dec 2017).

1.5.1 Board of Governors Constituted for TEQIP-III

Board of Governors constituted for TEQIP-III activities is as follows:

Sl No	Category	Member
1	Chair Person – Educationist	His Holiness Jagadguru Sri Shivarathri Deshikendra Mahaswamiji President, JSSMVP, Mysore
3	Educationist	Dr. C.G. Betsurmamath Executive Secretary, JSSMVP Mysore
4	Educationist and Industrialist	Prof. M.H. Dhananjaya Advisor Technical Education Division, JSS Technical Institutions Campus, JSSMVP, Mysore
5	Professional	Dr. B.G. Sangameshwara, Vice Chancellor, JSS S&TU, JSSTI campus, Mysore
6	Teachers of the college	Dr. K.S. Lokesh, Professor, Dept of Environmental Engineering, Mysore
7		Dr. B. Manoj Kumar, Professor Dept of Environmental Engineering, Mysore
8	University Grant Commission (UGC)	Sri Ajay Kumar Khanduri, Deputy secretary, University Grants commission Bahadur Shah Zafar Marg, New Delhi
9	State Government Nominee	Sri H.U. Talwar, Director, Dept of Technical Education of Govt. of Karnataka
10	University (VTU Nominee)	Dr. R.M. Vasagam Vice President(Admin) Dr. MGR Educational & Research Institute Chennai ISRO Layout Bangaluru
11	Principal of the college – Ex officio Member Secretary	Dr. T. N. Nagabhushan Sri Jayachamarajendra College of Engineering, Mysore

1.5.2 TEQIP-III BoG Sub Committee

For the smooth execution of TEQIP-III activities management has approved the constitution of BoG subcommittee as shown in the Table.

Executive Secretary	Chairman
Advisor – TED	Member
Director – Finance, JSSMVP	Member
Vice Chancellor, JSS S&TU	Member
Registrar, JSS S&TU	Member
Principal, SJCE	Member
Concerned HoDs	Member
Coordinator, TEQIP-III	Member Secretary

1.5.3 TEQIP-III Core Committee

As per the directions of NPIU each participating institution shall form an institutional TEQIP unit headed by Institution head called **Institutional Project Director (IPD)** and will be assisted by the following core committee members:

TEQIP coordinator

Nodal officer (Academic)

Nodal officer (Finance)

Nodal officer (Procurement)

Management has approved the following Professors for TEQIP Core committee

Letter No: TED/JCE/DVP/17/2229/2017-18 Dated: 04.12.2017.

Dr. B Manoj Kumar, Professor, Dept of Environmental Engg	TEQIP coordinator
Dr. S.B Rudraswamy, Asst. Professor Dept of Electronics and Communication Engg	Nodal officer (Academic)
Dr. Mallikarjunaswamy M. S, Asst. Professor Dept of Instrumentation Tech	Nodal officer (Finance)
Dr. Srinath. S, Asst. Professor Dept of Computer Science & Engg	Nodal officer (Procurement)

1.5.4 Quotation Opening Committee

The quotation opening committee comprises of the following members:

Member Name	Designation	Role
Dr. T. N. Nagabhushan	Principal	Chairman
Dr. B. Manoj Kumar	Professor, Dept of Environmental Engg; TEQIP coordinator	Member
Dr. S.B Rudraswamy	Asst. Professor, Dept of Electronics and Communication Engg, Nodal officer (Academic)	Member
Dr. Mallikarjunaswamy M. S.	Asst. Professor Dept of Instrumentation Technology, Nodal officer (Finance)	Member
*Col Neeraj Roy	CAO	Member
Dr. Srinath S.	Asst. Professor Dept of Computer Science & Engg, Nodal officer (Procurement)	Member Secretary

*Note: In place of Col. Neeraj Roy, Sri Rajendra Prasad, Asst. Administrative officer is made as member of the above committee.

1.5.5 Purchase Committee

The committee comprises of the following members :

Member Name	Designation	Role
Dr. B. G. Sangameshwara	Vice-Chancellor, JSS ST&U	Chairman
Dr. T. N. Nagabhushan	Principal	Member
Dr. K.S. Lokesh	Registrar, JSS ST&U	Member
Mr. Mahadeva Swamy	Finance Officer	Member
Dr. B Manoj Kumar	Professor, Dept of Environmental Engg and TEQIP coordinator	Member Secretary
Dr.S.K. Prasad	Professor, Dept. of Civil Engineering	Member
Dr. S.B Rudraswamy	Asst. Professor, Dept of Electronics and Communication Engg and Nodal officer (Academic)	Member
Dr. Mallikarjunaswamy M. S	Asst. Professor Dept of Instrumentation Technology and Nodal officer (Finance)	Member
Dr. Srinath. S	Asst. Professor Dept of Computer Science & Engg and Nodal officer (Procurement)	Member
Concerned HOD/Department Faculty	-	Member

Members informed that instead of Sri Rajendra Prasad, Prof. Chandrashekhariah G K, Chief Administrative Officer will be the member for Quotation Opening Committee.

1.5.6 Startup Cell

As per AICTE mandate, start-up policy in project institutions supported under TEQIP III, a startup cell needs to be established at SJCE. As per the NPIU E-mail dated 1st Dec 2017 SJCE have established the start-up cell with following staff as core committee members.

1	Head of the institution	Dr. T.N. Nagabhushan, Principal, SJCE, Mysore
2	*Start-up cell Coordinator	Dr. T. H Udayashankar, Professor, Dept of Environmental Engg
3	Faculty facilitators	Mr. M.G Skanda, Asst. Professor, Dept of I&P
		Mr. K.M Puneeth, Asst. Professor, Dept of E&C
		Mr. H P Thanu, Asst. Professor Dept of CTM

*Note: Since Dr. T. H. Udayashankar took charge of Prof. & Head of Dept. of Environmental Engineering, in place of him Dr. M. P. Pushpalatha has been made Start-up cell Coordinator.

Members approved to appoint Dr. M. P. Pushpalatha, Prof., Department of Computer Science & Engineering as Startup Cell Coordinator. Principal informed that Dr. M P Pushpalatha is also looking after NAIN program, the startup cell can integrate

STEP & NAIN activities with Start Up cell activities. Members suggested that Chief Executive officer of STEP is to be made invited member for Start Up cell. The Start Up cell needs to provide a scheme and action plan for Start Up cell activities.

Approved

1.5.7 Institution Innovation Council

As per MHRD initiative, MHRD Innovation Cell (MIC) needs to be formed at SJCE. Accordingly, Institutions Innovation Council for SJCE has been formed under the Presidentship of Dr. T. N. Nagabhushan, Principal. The details of the members of the committee.

1.5.8 Equity Action Plan

One of the objectives of TEQIP III is to improve the quality and equity which is focused to ensure that all the students and faculties in the project institution have equal opportunity to avail the benefits of the project with substantial improvement in the performance of students with special attention to the needy that includes SC, ST, OBC and women students. As part of project implementation plan (PIP), SJCE needs to prepare an Equity Action Plan (EAP) and accordingly EAP was prepared and presented for SPIU and further it was submitted to NPIU. NPIU has approved and accepted the EAP prepared for SJCE. The EAP coordinators identified are Dr. M H Sidram, Associate Professor and Ms. Sowmyashree N, Assistant Professor in the Department of Electrical & Electronics Engineering. Ms. Sowmyashree N attended and made presentation on “Equity Achievements at SJCE” in the national conference on “Equity Achievements & Challenges in India” held at College of Engineering, Pune on 15th and 16th March 2019. SJCE was one among the three selected colleges for making presentation in the national conference.

1.6 AUDITORS

1.6.1 Mentor and Performance Auditor

Mentors of TEQIP III provide professional support and advice on a regular basis, or as needed by the institution, on progress or difficulties in meeting the goals and targets set out in the Institutional Development Proposals (IDP) and any institution strategic plan. For SJCE NPIU has appointed Dr. T. Mruthyunjaya, Emeritus Professor, IISc Bangalore. Mentor visited SJCE on 23rd and 24th November 2018 and interacted with students, staff and faculty of SJCE.

Performance Auditor provide stakeholders with periodic evaluations of institutional performance against the goals and targets set out in the IDP and any institution strategic plans in the context of the TEQIP project's key performance indicators, as defined in the TEQIP-III PIP. NPIU has appointed Dr. Madhav B. Kumthekar, Principal, Government College of Engineering, Nagpur did performance auditing of SJCE between 2nd August to 4th August 2018 and submitted the report to SJCE.

1.6.2 Internal and Statutory Auditor

In TEQIP-III, the following audit arrangements are approved by MHRD:

(A) Audit (Internal Audit):

1. The TEQIP-III institutes of the non-focus states may appoint Internal Auditor themselves to conduct the internal audit.
2. The appointment of the Internal Auditor should be as per the World Bank guidelines as per Financial Management Manual of TEQIP-III.
3. The Internal Audit is to be conducted on bi-annual basis in every financial year.

(B) Audit (Statutory Audit):

1. The TEQIP-III institutes of the non-focus states may appoint Statutory Auditor themselves to conduct the Statutory Audit of every financial year.
4. The appointment of the Statutory Auditor should be as per the World Bank guidelines as per Financial Management manual for TEQIP-III.
5. Such reports may be further consolidated by NPIU at National level.

In the 1st BoG Sub committee meeting held on 12th Feb 2018 approval was given to appoint Internal Auditor and Statutory Auditor as per NPIU guidelines. The following firms have been identified:

(A) Audit (Internal Audit)

Umesh R & Associates No.CH-145, 10th Main Opp. Canara Bank, Saraswathipuram, Mysuru-570009, Ph No.0821-4252793

(B) Audit (Statutory Audit):

Madhavan & Co., Chartered Accountants, # 3, 2nd Floor, Visweswaraiah Building, K R Circle, Mysuru- 570001, Ph No. 0821-2420309

In the 2nd BoG subcommittee held on 02.05.2018, approval was provided to appoint the above said internal and statutory auditor. Till date two half yearly internal audits have been completed (first internal audit half yearly ended 31st March 2018 and half yearly ended 30th September 2018 for FY 2017-18 and 2018-19) and the reports have been submitted to NPIU. Statutory audit of TEQIP accounts was made once for the FY 2017-18 and the report was submitted to NPIU on 9th October 2018. Management audit was also conducted for the expenditures made under different activities of TEQIP III from 24.11.2017 to 30.09.2018

Approved

1.7 PROGRESS ON TEQIP PHASE-III FUNDING TILL DATE

4. GATE 2019 - coaching for Final Year Students

Progress made on online GATE 2019 coaching for the final year BE students of SJCE, Mysuru under TEQIP III

1. GATE coaching is Mandatory under TEQIP –III Project Implementation Plan.
2. GATE coaching is offered only to the final year students of all the branches of SJCE.
3. In TEQIP III, there is a provision for paying to provide GATE coaching and registration fees.
4. As per the guideline of PMSS, Technical Evaluation Committee (TEC) was formed to decide about the modality of conducting GATE coaching at SJCE.
5. Based on the recommendations of TEC, Terms of Reference (ToR) was finalised.

6. As per the recommendations of TEC, it was decided to provide the GATE Training only to the students who have registered for the GATE Examination 2019. It was decided to adopt Quality Cost Based Selection (QCBS) service method for selection of vendors.
7. As per the decision of TEC, it was decided to have only online GATE training for the registered final year students of SJCE.
8. Total number of final year students registered for GATE 2019 Examination is 262.
9. As per NPIU communication, Empanelled Vendors are to be invited for quotation for providing GATE coaching through PMSS.
10. To process in PMSS under services head and to invite quotations, a permission letter was sent to Registrar Office, JSS S&T University on 02.11.2018 and registrar office sought further details in this regard (oral communication).
11. On 14.11.2018 the details were provided to the registrar office, JSS Science and Technology University.
12. Permission was provided by registrar office to invite quotations from the empanelled agencies. It was informed to prepare comparative statement and recommendation of service provider for the GATE 2019 coaching (Letter No. TED/JCE/TEQIP/TRG/42/2018-19/2089, Dated: 23.11.2018).
13. The budget estimate considered for online GATE training for 262 registered students is Rs. 40,00,000.00 (Entered in PMSS)
14. As per the guidelines of PMSS, request for proposal (RFP) which includes Technical and Financial proposal were invited from the 4 NPIU empanelled vendors.
15. On 23.11.2018, a pre-proposal meeting was held in the principal's office and vendors were contacted over phone for any clarifications.
16. Quotations were invited from empanelled vendors through PMSS.
17. From the 4 empanelled vendors the quotations were received.
18. Technical Evaluation Committee was called on 01.12.2018 to evaluate the technical details provided by the empanelled vendors.
19. A comparative statement was prepared and placed before the TEQIP III purchase committee on 07.12.2018.
20. Purchase committee recommended M/s Think Cell Learning Solutions Pvt. Ltd. (GATE Forum), Secunderabad, after assessing the Quality and Cost quoted by the vendors.
21. For clarity to students registering for GATE online program, a guideline is prepared which will be provided to them.

Undertaking by students who are appearing for GATE 2019 under TEQIP-III

- 75% attendance for video live lectures is a must for each student.
- All types of tests should be taken by the students without fail.
- The proof of the test taken should be submitted to the TEQIP office as and when the test is scheduled.
- Minimum marks to be taken in each test as prescribed by Trainer.
- If the student fails to achieve in the above, will not be eligible for reimbursement of GATE 2019 Examination registration fee.
- If the student fails to appear for the GATE 2019 examination, without valid reason, the student has to reimburse 10% of the training fee.
- Students should return all the course/training materials to TEQIP III office after the GATE 2019 exam without fail.

In 5th BoG Subcommittee meeting approval was provided for providing GATE online coaching for 262 final year students.

GATE online coaching was provided by M/s Think Cell Learning Solutions Pvt. Ltd., Secundarabad and the selection of service provider was made through services of PMSS by calling quotations from NPIU empanelled service providers.

As per terms and conditions an advance amount (50 %) of Rs. 13,75,500.00 has been paid to M/s Think Cell Learning Solutions Pvt. Ltd.

TEQIP office received fee paid receipts of GATE registration done by final year students.
