The first BoG meeting was held on 23.03.2019 and the proceedings of the meeting has been circulated amongst the members no comments were received. Since there were no comments the members were requested to give approval.

#### **Approved**

Mr. Prateek Kandulna, Consultant NPIU along with SPIU officials visited SJCE on 20.07.2019 for project review. SJCE made presentation on present status and monthly action plan (till 15<sup>th</sup> Sept 2019) of TEQIP-III. The visiting team appreciated the progress made in TEQIP-III. Further, SPIU invited to send an action plan till 15<sup>th</sup> Sept 2019 and the same was sent to SPIU office on 24<sup>th</sup> July 2019. On 25<sup>th</sup> July 2019 a video conference meeting of SPIU with Prof. Khodke, CPA, NPIU was held and the action plan of TEQIP-III institutions of Karnataka was presented to Prof. Khodke. The outcome of the meeting was that Sri Jayachamarajendra College of Engineering was declared has one of the best performing institution and was eligible for getting additional grants of Rs. 140 lakhs. A proposal has been prepared for additional grants. TEQIP team thank the members of the Board of Governors and management for continuous support, encouragement and guiding in getting the additional funds for TEQIP-III.

#### ***For kind information***

The members appreciated the efforts and congratulated the TEQIP team.

### **B.2.2 ACTION TAKEN ON RELEVANT POINTS OF 2<sup>nd</sup> BOG MEETING**

#### ***B.2.2.1 Deliberation: Appointing startup cell coordinator (Page -5 , 13&23 of proceedings of 1<sup>st</sup> BoG)***

##### **Action taken:**

As suggested by the BoG Members, Dr. M P Pushpalatha, Dept of Computer Science and Engg is appointed as Start up cell coordinator and Chief Executive officer of SJCE STEP is invited member of Start-up cell. A meeting of Chief Executive officer, STEP, Start-up cell coordinator and TEQIP –III coordinator along with principal was arranged and discussed about start-up cell activities. It was suggested to Start-up cell coordinator to provide a scheme and action plan for start-up cell activities.

##### **Resolution:**

Principal informed the BoG Members that Dr. M P Pushpalatha has been made start up cell coordinator since she also coordinates New Age Incubation Network (NAIN) project from Department of IT, BT, Government of Karnataka. Principal also informed that the project will be started in the 2<sup>nd</sup> floor of Dept of Industrial Production and Engineering and the same office will be

utilised for start up cell activities. There was a long discussion on the coordinator of startup cell and NAIN Project. The Principal informed that startup cell is a mandate of AICTE and NAIN is also to promote startup but funded by Government of Karnataka. There was a long discussion in the space requirement for the NAIN project. Executive Secretary suggested examining the following:

1. Discuss with Dr. Menon on the space at STEP
2. The start up, NAIN and STEP must device long term plan for sustainability.

Action taken on these shall be presented in next BOG

***B.2.2.2 Resolution: It was resolved to make CAO in the quotation opening committee (Page-12 of proceedings of 1<sup>st</sup> BoG)***

***Action taken:***

As suggested by the BoG, Prof. Chandrashekaraiiah G K, Chief Administrative Officer is made as the member of quotation opening committee.

***Noted and Approved***

***B.2.2.3 Resolution: Research assistantship for full time Ph.D students (Page-22 of proceedings of 1<sup>st</sup> BoG)***

***Action taken:***

As per the suggestion of the BoG, full time Ph.D students from different departments have been identified (11 Ph.D students) for the award of research assistantship.

***Noted and Approved***

***B.2.2.4 Resolution: To conduct impact analysis of TEQIP-I and TEQIP-II (Page -52 of proceedings of 1<sup>st</sup> BoG)***

***Action taken:***

Dr. S K Prasad, TEQIP II Coordinator has been informed to provide the impact analysis for procurement and academic activities done under TEQIP-II. Dr. S.K Prasad has provided a detailed report. For impact analysis of TEQIP-I, since Dr. Sudakar Samuel who coordinated TEQIP-I is no more, the files need to be searched for gathering the data. Therefore we need time to workout the details.

***Discussion***

The members did not agree to the details of impact analysis presented. It was suggested to send the details through file.

***B.2.2.5 Resolution: For the activities done till date under TEQIP-III the impact analysis needs to be done (Page -52 of proceedings of 1<sup>st</sup> BoG)***

***Action taken:***

The details of progress made in procurement under TEQIP-III are shown in Page 3 of this agenda notes. The procurement of learning resources was started in the month of Aug 2018 while the procurement of equipment started in the month of Jan 2019. The impact analysis will be done after its utilization in this academic year.

The details of academic activities conducted in TEQIP III as on date are shown in page 12-40. The impact analysis for academic activities under TEQIP-III will be done through a questionnaire prepared in Google form and the same will be circulated among the faculty members. The comprehensive details of analysis shall be presented in BoG-III meeting.

The members informed to prepare a comprehensive impact analysis for the procurement and academic activities done under TEQIP-III. The members were shown the demo of google form containing questionnaire for faculty organising and attending activities under faculty/staff development and

motivation. Members suggested circulating the google form among the faculty members for taking feedback for impact analysis.

*Noted and Approved*

**B.2.2.6 Resolution:** *The impact analysis should be done internally or through external consultant (Page -52 of proceedings of 1<sup>st</sup> BoG)*

**Action taken:**
