**Proceedings of 4<sup>th</sup> Board of Governors Meeting**

**B4.1 To read and record the proceedings of the 3<sup>rd</sup> BoG Meeting**

Welcome to the members of the Board of Governors of TEQIP Phase-III, a World Bank assisted project under Government of India. Principal gave the details of the previous nine BoG Subcommittee meetings which were held on 12.02.2018, 02.05.2018, 16.05.2018, 20.08.2018, 26.12.2018, 13.02.2019, 18.05.2019, 22.08.2019 and 17.12.2019. The first BoG meeting was held on 23.03.2019, the second BoG meeting was held on 27.07.2019 and the third BoG meeting was held on 30.09.2019. The proceedings of the third BoG meeting have been circulated amongst the members and there were no comments received. Since there were no comments, the members were requested to give approval.

**Noted and approved.**

**B4.2 ACTION TAKEN ON RELEVANT POINTS OF 3<sup>rd</sup> BOG MEETING**

***B4.2.1 Appointing start-up cell coordinator (Item No. B3.2.1 of 3<sup>rd</sup> BoG Meeting held on 30.09.2019 and Item No. B4.2.1 of 4<sup>th</sup> BoG Meeting held on 7<sup>th</sup> February 2020)***

Principal informed the BoG Members that Dr. M P Pushpalatha has been made start up cell coordinator since she also coordinates New Age Incubation Network (NAIN) project from Department of IT-BT, Government of Karnataka. Principal also informed that the project will be started in the 2<sup>nd</sup> floor of Dept of Industrial & Production Engineering and the same office will be utilized for start-up cell activities. There was a long discussion on the coordinator of start-up cell and NAIN Project. The Principal informed that start-up cell is a mandate of AICTE and NAIN is also to promote start-ups but funded by Government of Karnataka. There was a long discussion on the space requirement for the NAIN project. Executive Secretary suggested to examine the following:

1. Discuss with Dr. Menon on the space at STEP
2. The start-up Cell, NAIN and STEP should work under one umbrella and device a long term plan for sustainability.
3. Members suggested NAIN project can be started in the 2<sup>nd</sup> floor of department of Industrial & Production Engineering.
4. The mezzanine floor and cellar floor of STEP building can also be explored for NAIN project and the members informed to verify the total area available for the project (2000 Sq Mt.)
5. For start-up cell coordinator a list of senior faculty members should be identified.
6. Executive secretary, JSS MVP will make inspection of the space available in the department of Industrial & Production Engineering.

***Action taken:***

Principal has communicated through e-mails with Mr. Shivashanakar. B and Mr. P. K. B. Menon on the requirement of space for NAIN project in SJCE-STEP building. Mr. Menon has indicated that there will be revenue loss and reduction in space for incubation centre (NIDHI incubator program) due to utilization of STEP building space for NAIN project. Mr. Shivashankar B informed that Dr. C G Betsurmath, Executive Secretary visited the STEP

facility and had discussion about NAIN project with him. Since, there is plan of establishing product development centre at STEP premises, it was decided in their meeting to establish the NAIN project in the 2<sup>nd</sup> floor of department of Industrial & Production Engineering. Further, Dr. Pushpalatha, Coordinator of NAIN project received a letter from Advisor-TED on 4<sup>th</sup> December 2019 indicating that the 2<sup>nd</sup> floor of department of Industrial & Production Engineering can be utilized for NAIN project. It was also suggested to include Chief Executive of SJCE-STEP as a member for the committee to be constituted under the chairmanship of Principal. Action shall be initiated to utilize the 2<sup>nd</sup> floor of Industrial & Production Engineering to setup NAIN centre. From the following senior faculty members the start-up cell coordinator shall be identified. However, it is desirable that Dr. Pushpalatha M P shall coordinate the Start-up cell activities since she will be coordinating the NAIN project activities.

1. Dr. Pushpalatha M P, Professor & Head, Department of CS&E and coordinator for NAIN project
2. Dr. B S Mahananda, Associate Professor, Department of IS&E
3. Dr. Rathnakara S, Assistant Professor, Department of IT

***4<sup>th</sup> BoG Resolution: Regarding space for establishing the NAIN project, Advisor informed that the 3<sup>rd</sup> floor of I&P block can be utilised for the project. Vice Chancellor informed that if there is no constraint on split floor area requirement then STEP building can be utilised and informed that the NAIN coordinator should verify with concerned authorities. The Executive Secretary informed that Vice Chancellor of JSS S&TU should visit STEP building and I&P block for finalisation of the space. Vice Chancellor also informed that there is a proposal on introduction on innovation lab. He informed that an innovation lab will be established for conversion of ideas to product. Advisor suggested that the proposed innovation lab can be linked to NAIN project. Principal requested that there is an urgent need for the appointment of Center Manager for NAIN project. Advisor informed to send the details of the appointment through a file.***

***Regarding coordinator for Start up cell, Executive Secretary informed that Dr. M P Pushpalatha can be made as coordinator for Start up cell and she should take assistance from the Vice Chancellor. The start up cell coordinator should closely associate with the Chief Executive of SJCE-STEP.***

***B4.2.2 To conduct impact analysis of TEQIP-I & TEQIP- II (Item No. 3.2.2 of 3rd BoG meeting held on 30.09.2019 and Item No. B4.2.2 of 4<sup>th</sup> BoG Meeting held on 7<sup>th</sup> February 2020)***

In the 3<sup>rd</sup> BoG meeting Principal informed that the files required to prepare the impact analysis of TEQIP-I could not be made since the TEQIP-I coordinator Dr. Sudhakar Samuel is no more. It was requested to Dr. B G Sangameshwara who was the then Principal who executed the TEQIP Phase-I activities at that time to provide the impact analysis report on the tangible outcomes. A request letter was sent again to Dr. B.G Sangameshwara to submit the report on impact analysis of TEQIP I. No information was received from Dr. B G Sangameshwara till date.

Dr. S K Prasad, who coordinated TEQIP II was requested to provide the impact analysis for procurement and academic activities done under TEQIP-II. Dr. S.K Prasad provided a detailed report and submitted. The members did not agree to the details of impact analysis presented by Dr. S K Prasad and it was suggested to revise the report. Dr. S. K. Prasad, TEQIP II Coordinator revised the report and made a power point presentation to the members of BoG in 3<sup>rd</sup> BoG meeting. The committee opined that the revised report and presentation material be submitted to the Advisor-TED, JSS MVP for approval.

***Action Taken:***

Since Dr. B G Sangameshwara did not respond on presenting impact analysis of TEQIP-I, Dr. A N Santosh Kumar, Professor, Dept of Mechanical Engineering has been requested to prepare the impact analysis report of TEQIP I since he was the procurement coordinator in TEQIP Phase-I. A team of faculty members has been constituted to identify the various parameters for impact analysis of TEQIP Phase I.

As opined by the members in the 3<sup>rd</sup> BoG meeting, Dr. S K Prasad was informed to submit the TEQIP-II impact analysis report to the Advisor-TED. Dr. S.K. Prasad submitted the report to the Advisor-TED for his approval. Approval has been provided by the Advisor, JSS MVP. Further, the report has been sent in a file to the Registrar, JSS Science and Technology University on 8<sup>th</sup> January 2020 for approval from the Executive Secretary, JSSMVP.

**4<sup>th</sup> BoG Resolution:** The members went through the impact analysis report of TEQIP-I submitted by Dr. A.N Santhosh and his team. The Executive Secretary questioned the basis for the parameters identified for impact analysis and informed to provide the full details of analysis. Executive Secretary informed that there were non-utilisation of equipments/software procured under TEQIP-I and suggested to relook into the impact analysis report. Advisor and Executive Secretary were of the opinion that there is need for qualitative analysis of both TEQIP-I and TEQIP-II. They also suggested that the reports should be analysed by Vice Chancellor before it is considered for approval in the next BoG/BoG Subcommittee. Executive Secretary also informed to collect the details of Publications/ R&D/ Consultancy done by each of the faculty for last 10 years.

**B4.2.3 Resolution:** *Demonstration of Google form containing questionnaire for faculty organising and attending activities under faculty/staff development and motivation (TEQIP III) were made to members. Members suggested circulating the Google form among the faculty members for taking feedback for impact analysis. As suggested in the BoG meeting the Google forms were circulated to all the members of faculty (Item No. B4.2.3 of 4<sup>th</sup> BoG Meeting held on 7<sup>th</sup> February 2020).*

**Action taken:**

A comprehensive report will be submitted to BoG by the end of Sept 2020 (project completion). The details of Google form received as on date will be presented in the 4<sup>th</sup> BoG meeting.

**Resolution:** *The members informed that the faculty/ staff development impact analysis should be presented in the next BoG meeting.*

**B4.2.4 Resolution:** *During discussion on the proposal for conducting events during Swachhta Pakhwada 2019 program (Page – 49 of 3rd BoG agenda notes) by Dept of Environmental Engineering, the members suggested the following (Item No. B4.2.4 of 4<sup>th</sup> BoG Meeting held on 7<sup>th</sup> February 2020).*

- *To propose activities on plastic free campus*
- *Organising Ideathon for innovation on plastic waste management including disposal/reuse and recycle*
- *Students innovative projects for collection and disposal of single use plastics*
- *Survey of plastic in campus by collecting solid waste from the campus including hostels, commercial complex, other institutes in the campus(Quantification of plastic waste in campus)*
- *To conduct awareness program on plastic waste management.*
- *Dept of Environmental Engineering should submit a report in the next BoG*

**Action taken:**

The Department of Environmental Engineering submitted a comprehensive report as shown in **Annexure -1.**

**Resolution:** Executive Secretary suggested that the department of Environmental Engineering should prepare a report for the present status of waste management in the campus and a detailed proposal needs to be prepared. Executive Secretary also suggested conducting more

activities for the village Chikkanaya Hundi adopted by JSS S&TU in consultation with Vice Chancellor.

The committee approved the comprehensive report submitted by the department of Environmental Engineering showing the details of activities conducted under Swatchhta Pakhwada.

***B4.2.5 Resolution: During discussion on four funds (Page – 2 of 3rd BoG proceedings) the members suggested to provide the four funds detail of TEQIP I & II including the status of the fund (Item No. B4.2.5 of 4<sup>th</sup> BoG Meeting held on 7<sup>th</sup> February 2020).***

***Action taken:***

After going through the files of TEQIP Phase - I it was found that no four funds were kept at SJCE. Under TEQIP Phase –II as on 6<sup>th</sup> June 2018 the four fund invested was Rs. 623.30 lakhs. The details of the fixed deposits (four funds) are shown in **Annexure -1**. As per the statement provided by finance section of JSS Science and Technology University the TEQIP Phase –II four funds available as on 1<sup>st</sup> Oct 2019 is Rs. 685.87 lakhs.

Under TEQIP Phase-III, NPIU informed to provide the information of Internal Revenue Generated (IRG) through variety of sources during the year 2017-18, 2018-19 and 2019-20 (NPIU/SPIU e-mail dated 28.11.2019). The Registrar Office, JSS Science & Technology University provided the IRG details which indicate that the total IRG for three years is Rs. 10673.52 Lakhs. Since, 8% of IRG has to be kept in four funds, the amount to be kept in four funds will be Rs. 853.88 Lakhs. As suggested in 9<sup>th</sup> BoG Sub Committee meeting the document showing IRG and Four funds details was sent to the office of Director (Finance), JSS MVP to provide the opinion. Director, (Finance) indicated that the college cannot keep Rs. 853.88 lakhs in FD and further it exceeds the TEQIP grant of Rs. 700.00 lakhs.

The Vice Chancellor informed that since it is a requirement from NPIU, SJCE should keep 8 % of IRG in four funds of TEQIP III. Principal informed the committee that several TEQIP III colleges have kept less percent of IRG as four funds. No decision was taken in the meeting regarding four funds to be kept under TEQIP III at SJCE.

***B4.2.6 Resolution: Regarding the proposal on funding to CUBESAT project from dept of Electronics and communication Engg, Prof. Vasagam informed that prelaunch of student's project satellites has been stopped by ISRO (Item No. B4.2.6 of 4<sup>th</sup> BoG Meeting held on 7<sup>th</sup> February 2020).***

***Action taken:***

The coordinator of CUBESAT project has been informed about stopping of funding by ISRO for student project satellite.

***For information.***

#### ***B4.4.4 Others***

Sri Jayachamarajendra College of Engineering, Mysuru received an e-mail from SPIU, Karnataka informing signing of Memorandum of Understanding between SJCE and Government Engineering College, Chamarajanagar and SJCE and Government Engineering College, K R Pet under TEQIP-III. Accordingly a MoU was prepared indicating no financial commitments from both side and only participation in the events conducted at SJCE as well as assistance by SJCE faculty in R&D and other academic activities. The MoU was made after taking opinion from legal advisor of JSSMVP. The correspondence emails, letters and MoU copies are in **Annexure 11**.

##### **Details of High end Server Machine supplied from DELL Company at free of cost:**

In connection with procurement of DELL Desktop computers for SJCE under TEQIP III grants, DELL has invited SJCE to participate in the Seed Unit Program. Under this scheme, DELL has delivered a high end server machine (Load bearing server and not a streaming server machine) for SJCE at free of cost. The market value of the machine is Rs.16.70 Lakhs. This server is installed in the department of CS&E.

DELL Power edge 650 (EMC); Main Memory 128 GB

2 Xeon processors with 12 cores each: total 24 core machine

Hard Disk 2TB \* 3 = 6 TB (Configured for RAID 5 (windows RAID) with 2 number on the main backup and the 3rd hard disk for parity)

Operating System:

Windows base: on top of it Windows Hyperviser: on top of it 2 Virtual Machines (VM)

First VM: Ubuntu Version 18; Second VM: Windows Server 16

The machine can be remotely accessed from anywhere in the campus and the machine can take the load to work nearly 500 parallel program execution.

##### **Details of Interactive Digital Boards installed at SJCE from NPIU at free of cost:**

Under TEQIP III, Sri Jayachamarajendra College of Engineering, Mysuru was identified as one of the best performing institute and NPIU have sanctioned 13 interactive digital Boards at free of cost to SJCE. These interactive digital Boards have been purchased at NPIU, New Delhi under World Bank Funding through National Competitive Bidding and supplied directly to the selected institutions. As per the instructions of NPIU, the boards are to be installed at UG class rooms only.

As per their guidelines the received 13 interactive digital Boards are installed in the class rooms of CS, IS, E&I, Mechanical, Electronics, Biotechnology and Industrial & Production Engineering departments. These class rooms are facilitated with Uninterrupted Power Supply, Wired Internet facility. The identified classrooms are used exclusively for UG students and have locking facility.

The size of the Digital Board is 65 inch with Full HD Resolution. The supplied brand is SAMSUNG.

Class rooms where the digital Boards are installed:

CS (3 Numbers) : CS 001, CS 002, CS 101

IS (3 Numbers) : IS 001, IS 002, IS 103

IT (2 Numbers) : IT 201, IT 202

ME-(2 Numbers) : ME 201 and ME 204

IP (1 Number) : IP 105

BT (1 Number) : EV 207 D

EC (1 Number) : AB 104.

As per NPIU, 54 faculty members of different departments were given initial training at SJCE and further an advanced training is also planned from NPIU through online mode.

**Additional Allocation: Verification of achievement of performance benchmarks of shortlisted institutions/ATUs as high performing in 2nd stage**

NPIU in their email dated 13<sup>th</sup> January 2020 indicated that there will be re-appropriation (additional and curtailment) of PLA of institutions/ATUs (high and low performing) and this was made based on status of expenditure and performance as on September 30, 2019. As per the tentative list of high performing institutions identified in Stage 2 process (based on percentage expenditure of revised PLA and achievement of performance benchmarks with contribution in achievement of Disbursement Linked Indicators (DLIs) till 30th September 2019), Sri Jayachamarajendra College of Engineering, Mysore has been identified as one of the high performing institute. SJCE submitted all the documents relevant to achievement of performance benchmarks for high performing to SPIU/ NPIU. The documents submitted to SPIU/ NPIU is shown in **Annexure 11**.

**TEQIP Phase III: Invitation to Awareness-cum-Proposal Development Workshop & Meeting for submission of your willingness for Center of Excellence on “Cyber Security”**

NPIU in their email dated Jan 23, 2020, informed SJCE that based on the strength of faculty in Computer Science & IT, has been identified for submission of proposal for the Center of Excellence in Cyber Security. In this regard, NPIU organised an Awareness-cum-Proposal Development Workshop and meeting on 28th January 2020 at Chennai. The industries/ sponsors interested in joining the Cyber-Security initiative participated in Workshop, enabling direct interaction between key stakeholders in COE. AICTE and Information Sharing and Analysis Centre (ISAC) have signed a MoU for the development of skilled manpower in the area of Cyber-security, by creating world-class infrastructure for hands-on training by establishing Center of Excellence (CoE). The agenda of the meeting was:

1. Presentation of ISAC
2. Visit to COE (ISAC has a fully functional COE)
3. Interactions between Institutions and Industries

The meeting was attended by Dr. Anil Kumar K.M, Associate Professor, Dept. of CS&E. In the meeting, Prof (Dr) P M Khodke and other speakers briefed the significance of establishment of CoE from the National Interest and urged colleges to submit the proposals. Prof. P. M. Khodke briefed that the NPIU-TEQIP and AICTE have come together to establish at least 10 CoE in engineering colleges across the country in collaboration with ISAC. Approximate cost for establishing COE is Rs 2 Crore. The CoE shall consists of software and hardware components and the cost of the establishment shall be borne equally by TEQIP & Industry/Sponsors facilitated by ISAC. NPIU indicated that institute should provide a distinct space of 2000 Sqft for CoE along with necessary furniture and networking. Institution should have experienced faculty in the field of Cyber Security to be part of the COE. The template for the submission will be released in due course and duly filled proposal is to be uploaded to AICTE portal. It was informed that the template and time for submission will be notified via email.
