

Sl. No.	EVENT NAME	RESOURCE PERSON	DATE
1	Webinar on Environmental legislation and amendments in India	Dr. B. M. Prakash, KSPCB	22.07.2020
2	Multivariate data analysis using SPSS	Vijay More Associate Manager, Data Analytics Team, Accenture Pvt. Ltd.	01.08.2020
3	Quality and EHS in industries	Mr. Chandrashekar Koganti, Director, Quality and EHS, Chemical manufacturing company, USA	13.08.2020
4	An overview on Indian Environmental Regulatory framework in present context	Dr. Deepesh V Scientist C, Central Pollution Control Board, Bengaluru	04.08.2020
5	Water quality monitoring preservation and analytical techniques	Dr. B S Anupama Scientist C, Central Pollution Control Board, Bengaluru	05.08.2020
6	Source emission monitoring techniques	Mr. Karthikeyan Scientist C, Central Pollution Control Board, Bengaluru	05.08.2020
7	Online continuous effluent and emission monitoring system: Regulatory perspective	Mrs. Anjana Kumari Scientist D, Central Pollution Control Board, Bengaluru	06.08.2020
8	E-waste management and handling rules 2016	Mrs. Poornima B M Scientist D, Central Pollution Control, Board, Bengaluru	06.08.2020
9	Implication of Laws in Environmental Engineering	Dr. Sairam Bhat Professor of Law Coordinator for Centre for Environmental Law Education, National Law School of India University, Bangalore	19.08.2020

10	River Rejuvenation Importance and Issues in Context of Present Scenario & Crisis	Dr. Sabita Madhvi Singh Joint Director, National River Conservation Directorate, Department of Water Resources, RD & GR, Ministry of Jal Shakti, New Delhi	24.08.2020
11	Environment v/s economic development	Dr. Ravi, Environmental Officer, Karnataka State Pollution Control Board, Bengaluru	25.08.2020
12	Recovery of by-products/ untapped resources and Issues & challenges in Sludge Management of Sewage Treatment Plants	Sri M. N. Thippeswamy (Retd.) Chief Engineer (super time) Bangalore Water Supply & Sewerage Board, Bangaluru and Mr. R. S. Arun Kumar Pollution Research Group, University of Kwazulu-Natal, Durban, South Africa	15.09.2020
13	Seminar on roles and responsibilities of Environmental Engineering	Vishnu Sharma	Dec 31 2021
14	Symposium on Environmental Engineers - Opportunities, Roles and Responsibilities for a Sustainable Environment		16th June 2022
15	Interaction program followed after a presentation on waste management solutions	Mr. Ranjan Bellarpady, Director, Mangala Resource Management Pvt. Ltd., Mangalore	18th June 2022
16	As part of World Environmental Day 2022, a campaign at 10.30am-11.00am, starting from Admin block entrance which was followed by sapling plantation near Environmental and Civil Engineering Blocks.	Department of Environmental Engineering with Project Reach out and Balaga	06.06.2022

17	Hinkal Lake Cleaning Campaign being organized as part of World Environmental Day-2022.	Jointly organized by : 1) Karnataka State Pollution Control Board (KSPCB), Mysuru, 2) Municipal Office, Hootagalli, Mysuru, 3) Department of Environmental Engineering, Sri Jayachamarajendra College of Engineering, JSS S& TU, Mysuru, & 4) Madilu Education and Rural development Organization, Mysuru	02nd July, 2022
18	As part of the Lecture Series-Diamond jubilee celebration year 2022-2023 , the first lecture series was held on the topic Cell Immobilization.	Dr. M Mahadevaswamy, Former Head and Professor, Department of Environmental Engineering	4th July 2022
19	In continuation of Lecture Series-Diamond jubilee celebration year 2022-2023, lecture on Career Opportunities and professional profile building	Mr. Indresh, Alumni and Senior Engineer – Hydraulic Modelling. Mott MacDonald, Bengaluru.	16th July 2022
20	In continuation of Lecture Series-Diamond jubilee celebration year 2022-2023, lecture on Disaster Management	Dr. S K Prasad, Professor and Head, Civil Engineering department, VVCE, Mysuru	31 st October 2022
21	In continuation of Lecture Series-Diamond jubilee celebration year 2022-2023, lecture on Importance of higher studies in education	Mr. Madhu Kumar, Alumni student, presently pursuing Ph. D in IIT, Hyderabad	18 th November 2022
22	As a part of Induction Programme, lecture on Importance of Environmental Engineering and Career building opportunities in Env. Engg. field	Mr. Raviteja, Alumni,	23 rd November, 2022
23	In continuation of Lecture Series-Diamond jubilee celebration year 2022-2023, lecture on Importance of higher studies in education	Mr. Anvith Shankar, Alumni	25 th November 2022
24	Interaction meeting for discussion on 'Environmental sustainability, collaboration, career and higher education opportunities in Western Sydney University and other Universities in Australia'.	Dr. Dharma Hagare, Western Sydney University	14 th December 2022
25	In continuation of Lecture Series-Diamond jubilee celebration year	Mr. Renu Kumar, Deputy Director, BWSSB, Bengaluru.	December 17 th 2022

	2022-2023, lecture on Career Building opportunities in BWSSB		
26	Guest lecture on “Life Cycle Assessment: Methodologies for Impact Quantification and Industrial Case Studies”	Mr. Raviteja Hegde, Chief Executive Officer, Paryaavaraneer Engineers & Consultants Private Limited	21st Jan 2023
27	Special lecture on ‘GEOINFORMATICS – DATA SOURCES AND APPLICATIONS IN ENVIRONMENTAL ENGINEERING’ organized by Dr. PUSHPA TUPPAD	Dr. Vinay M., Faculty of Geoinformatics, Centre for Geoinformatics Technology, University of Mysore	30 th January 2023 from 12:00 noon to 2:00 pm
28	“MUNICIPAL SOLID WASTE MANAGEMENT IN MYSURU CITY” Coordinator Name: Mrs. Parinitha T Niranjana	Mr. Madhukar M, Assistant Engineer, MCC, Mysuru	Date: 21st Jan 2023 Venue: IP003, Department of Environmental Engineering, SJCE, JSSSTU, Mysuru
29	A Career guidance Program from Career Launcher, Mysuru	Mrs. Geetha R. Shah, Manager – Business Development, Career launcher, mysuru.	26th April 2023
30	Alumni Guest lecture on Competitive Exams in Environmental Engineering	Karan, Environmental Officer, Ministry of Finance, Government of India.	29.05.2023 Venue: EV202 Participants: 4 th semester students
31	Technical talk on “Opportunities in Startup Ecosystem”	Mr. Shivashankar B, Chief Executive, SJCESTEP.	Date: 3rd August 2023 Venue: JSSSTU Campus, Mysuru Participants: 1st Year M.Tech., Environmental Engineering students and staff
32	Alumni Lecture on “Carrier planning and development”	ROHITH HIREMATH, Vice President, Goldsman Sach, New York city	Date: 15 th July, 2023 Venue: Environmental Engineering department seminar hall (IP003), SJCE,

			JSS STU, Mysuru Participants: 4 th semester ENV students
33	Alumni Talk on “Career Opportunities in Environmental field”	Mr. Arjun S, Advanced Sustainability Engineer, Honeywell Technology solutions	Date: 5 th October 2023 Venue: EV203 Participants: 7 th semester B E students

- Industrial visit by 7th semester students accompanied by Dr. B M Krishna, Associate Professor and Mr. Narasimha, Instructor from 4th to 10th December 2022 to Mangalore for various industries like: KIOCL limited, Mangalore chemicals and Fertilizers Limited, Mangalore Refinery and Petrochemical Limited.

- Dr. D Istalinga Murthy, Mr. B P Shivakumar and Trishul A M on 4th January 2023 accompanied 5th semester students (46 nos.) for field visit to Torekadhalli Water Treatment Plant, Bangalore.
- Dr. Vishishtta Nagaraj, Mr. Chandrashekar and Mrs. Hemalatha accompanied 5th semester students (46 nos.) on 13th January 2023 to zero waste management plant at Kumbarkoppal and J P Nagar, Global Integrated Professional services (GIBBS) for biomedical waste treatment facility and Jagruth Tech. Pvt. Ltd. Waste manamegmt services.

- On December 22, 2022 Department of Environmental Engineering in collaboration with Institutions Innovation Council on the occasion of NATIONAL POLLUTION CONTROL DAY hosted an expert lecture by Mr. G R Ganeshan, Regional Environmental Officer, KSPCB, Mysuru; conducted a Poster making competition on the topic “Judicious use of resources and Quiz Competition.
- Parinitha T Niranjan spoke on the importance of Environmental Engineering branch on JSS radio 91.2 FM on 28.08.2022 at 7.30 am and 4.30 pm
- Savitha Ulavi won second prize in the best paper competition under technical session II: source Apportionment and Emission Inventory held at International Conference on Air Quality Management (ICAQM - 2022).
- Environmental Engineering Department staff visited the Infosys campus at Mysuru on 14/02/2023 at 2.30 PM where areas such as training centres, development centres, learning centres, accommodation facilities, food courts, sports facilities, gym and fitness facility, shopping facility, transport and parking facility and so on were covered. The main objective of the visit was to know about the best practices followed for waste management.
- Dr. Pushpa Tuppad delivered invited guest lecture (schedule below) in the Dept. of Civil Engineering, The National Institute of Engineering, Mysuru.
 - a) “DEWATS, Concept of Constructed Wetlands, Self-Purification of Streams” on 13.02.2023, 9:00 am to 10.30 am.

- “DEWATS, Concept of Constructed Wetlands, Self-Purification of Streams, Biomagnification and Bioaccumulation” on 15.02.2023, 2.30 pm to 4.00 pm
- Dr. Sadashiva Murthy. B. M., Professor and Head of the Department along with the other department staff organized “A Thanks giving Event on behalf of International women's day 2023, as a token of gratitude for all Housekeeping staff and maintenance staff of JSSSTU, Mysuru for keeping our campus clean and green” on March 8th 2023, 4 pm onwards at SJCE Auditorium, SJCE, JSSSTU, Mysuru.
- “Department Orientation Program” for M.Tech. students on March 13th 2023 at IP003, Department of Environmental Engineering, SJCE, JSSSTU, Mysuru from 12.30 pm to 1.30 pm where, Dr. Sadashiva Murthy B. M., Head of the department presented the PowerPoint containing department details such as awards, achievements, contributions and various other such sections and explained the same followed by faculty introduction.
- World Water Day was celebrated on 31st March 2023 from 11:00 am to 2:00 pm at JSS CMS Board Room, JSSSTU, Mysuru. The Department of Environmental Engineering, in association with District Legal Services authority, KSPCB and RDWS & SD celebrated "World Water Day 2023, with the theme “Accelerating Change”. Sri Devaraj Bhute, Senior Civil Judge and Member Secretary, District Legal Services Authority, Mysuru and Sri G R Ganeshan, Regional Environmental Officer, Karnataka State Pollution Control Board, Mysuru, were the Guest of Honour. Also, various technical activities like Memory game, pick and speak, Quiz were conducted followed by Prize distribution.
- Student Orientation Program on Climate Change and Environmental Education organized by Department of Environmental Engineering in association with CEE, UNICEF and CMF, on 17th April 2023 from 10:30 am to 01:00 pm in Seminar Hall, CMS Block, JSSSTU, Mysuru. Resource Persons: Dr. Shruthi B V Rajesh, Training Coordinator, CEE, Bengaluru and Dr. Susmitha B, Master Trainer, MSW, JSS College of Arts, Commerce and Science, Ooty Road, Mysuru
- G-20 Initiative on Youth Action for Climate Correction (YACC), The Energy Swaraj Foundation, jointly with, Atal Innovation Mission (AIM), Niti Aayog and All India Council for Technical Education (AICTE) had organized the World’s Largest Global Climate Clock Assembly and Display event on the occasion of Mother Earth Day, 22nd April 2023. This event was aimed to bring awareness about climate change to the masses and bring individuals a sense of urgency in taking Actions for Climate Correction and adapting it as a lifestyle for a sustainable future.
- In this regard, our department / institution successfully assembled Do it Yourself (DIY) climate clock kit and was installed in the Department of Environmental Engineering and Created awareness about the climate change.

- As part of World Environment Day 2023, Department of Environmental Engineering in collaboration with NSS, Sri Jayachamarajendra College of Engineering, JSS Science and Technology University, Mysuru commemorated World Environment Day on 05/06/2023 in campus by creating awareness on environment through street play, Sapling plantation in campus and awareness program by students at JSS Public School.

 JSS SCIENCE AND TECHNOLOGICAL UNIVERSITY
 Sri Jayachamarajendra College of Engineering
 JSS Technical Institute Campus, Mysuru-570006

DIAMOND JUBILEE YEAR 1963-1923
 Department of Environmental Engineering
 in collaboration with NSS-JSSSTU presents
World Environment Day-2023

 **Date: 5th June, 2023**
 **10:30am onwards**

EVENTS

- Awareness skit at 10:30am near ENV parking
- Sapling at Golden jubilee block at 11 AM
- Inauguration Of Online ESG certificate program at CS/IS SEMINAR HALL 11:30AM
- School activity - awareness program at JSS public school at 11am
- WED programs in association with IEI, KSPCB, DA at 3:30pm venue:IEI,MLC

Invitation of World Environment Day 2023

- A certificate course on 'Environmental Social Governance' was inaugurated on World Environmental Day (5-6-2023) at JSS STU at 11:30 am. The course is offered by Department of Environmental Engineering JSSSTU as part of MOU with Scheveran Cleanfix Academy Mysuru. ESG Course co-ordinator - Prof. Savitha U. Ulavi, Assistant Professor, Department of Environmental Engineering.

JSS MAHAVIDYAPEETHA
JSS SCIENCE AND TECHNOLOGY UNIVERSITY
SRI JAYACHAMARAJENDRA COLLEGE OF ENGINEERING
DEPARTMENT OF ENVIRONMENTAL ENGINEERING

in association with

SCHEVERAN CLEANFIX ACADEMY

With the Divine Blessings of His Holiness
Parama Pujya Jagadguru Sri Shivarathri Deshikendra Mahaswamijjalavaru
Sri Veerasimhasana Mahasamsthana Math, Suttur Sriksheetra

WELCOME YOU ALL FOR
INAUGURATION OF A CERTIFICATE COURSE ON
'ENVIRONMENTAL SOCIAL AND GOVERNANCE'

Presided by

Dr. A N Santhosh Kumar
Honourable Vice Chancellor
JSS STU

Chief Guest

Mr. Sam Cherian
Managing Director, Scheveran
Cleanfix Academy
Chairman, CII Mysuru Chapter

Guest of Honour

Ms. Keerthi D Souza
Director, Seeds of Sustainability

In the Presence of

Prof. S A Dhanaraj
Registrar, JSS STU

Dr. C Nataraju
Principal In-charge
SICE, JSS STU

CS/IS Seminar Hall - 5/06/2023
11:30 am

- Dr. Sadashiva Murthy B. M, Professor and Head, Department of Environmental Engineering delivered a talk on Climate change Biological and Natural disaster Management at 204th Common Foundation course for Group A& B officers of GOK at Training Hall-4 Kabini Hostel, ATI, Mysuru on Wednesday 21st June 2023.
- Dr. Sadashiva Murthy B. M, Professor and Head, Department of Environmental Engineering delivered a video lecture on Environmental Issues in Business: Emissions, Water and Effluents for the Certificate programme on Environmental Social Governance, jointly conducted by Scheveran Cleanfix Academy and Department of Environmental Engineering, SJCE, JSSSTU, Mysuru.
- Dr. Sadashiva Murthy B. M, Professor and Head, Department of Environmental Engineering delivered a talk on LiFEstyle Management and Solution to Plastic Pollution the Theme of World Environment Day for the administrative officers of ITC Foods, Kadakola Industrial area, Nanjangud on 8th June 2023 organized as part of World Environment Day.

- Dr. Sadashiva Murthy B. M, Professor and Head, Department of Environmental Engineering delivered a talk on LiFestyle Management for the Senior officers of BEML, Mysuru on 2nd June 2023 organized as part of World Environment Day at BEML.
- Dr. Vishishtta Nagaraj, Assistant Professor, Department of Environmental Engineering delivered a lecture on World Environmental Day on 9th June 2023 organized by Karnataka State Pollution Control Board, Hunsur Taluk, Mysuru.
- Paryavaran Sanraksha conducted a National Level Training Camp on 29th and 30th July 2023, for which department of Environmental Engineering exhibited the facility related to environmental protection and conservation. Dr. Vishishtta Nagaraj, Mrs. Hemalatha Prabhuswamy and Mr. Trishul A.M with M.Tech. students exhibited the laboratory equipments related to water quality analysis and air quality monitoring such as pH meter, TDS meter, Lux meter, Noise dosimeter, microbial air sampler and climate clock.
- Department faculty along with M.Tech students visited the M/s Asian Paints and the M/s Reid & Taylor located at Thandya Industrial Area, Thandavapura, Nanjangud taluk on 10.08.2023 at 11.00am.

- As a part of 'Swachhata Pakhwada-Swachhata Hi Sewa(SHS) 2023', a massive cleanliness drive led by people was envisaged to be held on 1st Oct'2023 at 10 am across the country as a tribute to Mahatma Gandhi on the eve of his birth anniversary on 2nd Oct'23. As part of the 'Swachhata Hi Seva' Campaign, a call to action entreating the entire community to devote at least 1 hour from 10 am on 1st October ("Ek Tareekh-Ek Ghanta") towards cleaning garbage at vulnerable sites was been planned by the Government of India. On this occasion, JSS Science and Technology University conducted the cleanliness drive activity on Sunday, the 01.10.2023 at 10.00AM.
